 GRADE 1. (No. 31.)—Blued Foot and Heel Plates. Other parts bright . . . Boxed 1.15
 GRADE 2. (No. 32.)—Full Nickel Plated. Tops selected. Blades extra finish . . . Boxed 1.40

BARNEY & BERRY'S

Z

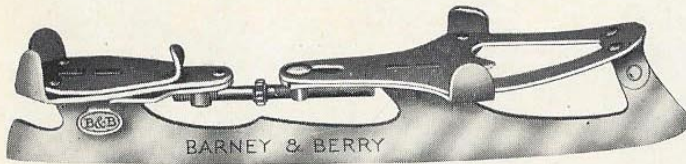

Patented August 12, 1890

Sizes 8, 8½, 9, 9½, 10, 10½, 11, 11½ and 12 inches

Very strong, durable and of attractive design. Selected tops of best quality cold rolled steel. Blades of **SOLID STEEL, HARDENED** and finely polished. Foot plates of proper shape for modern shoes. Great value at the price.

GRADE 1. (No. 41.)—Blued Foot and Heel Plates. Other parts bright	Boxed	\$1.50
GRADE 2. (No. 42.)—Full Nickel Plated	Boxed	2.00

AMERICAN CLUB

Patented August 12, 1890

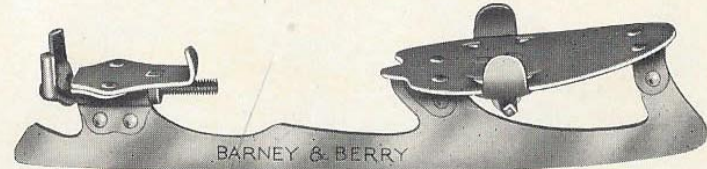

Sizes 9, 9½, 10, 10½, 11, 11½ and 12 inches

A very complete and popular side lever skate, having a **WELDED** steel blade, at a medium price. Foot plates formed to correspond to shape of shoe soles.

Tops are of selected cold rolled steel. Blades **WELDED STEEL, TEMPERED** by the same process as our higher grade skates.

Made only in GRADE 2. (No. 52.)—Full Nickel	Plated	
	Boxed	\$2.50

**BARNEY & BERRY'S
ALL CLAMP**

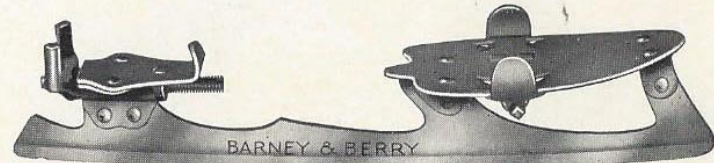

Sizes 9, 9½, 10, 10½, 11, 11½ and 12 inches

Key fastening at toe and heel. Very secure. Heel clamps of correct pattern. **Special shape foot plates and improved steel toe clamps**, adjustable sidewise to fit any shape of shoe. Selected tops of cold rolled steel. Blade **Welded Steel, Tempered**. In applying this skate to shoe, the heel clamp should be tightened first.

Made only in GRADE 2. (No. 72.)—Full Nickel	Plated	
	Boxed	\$3.00
For Ladies, GRADE 2, NARROW. (No. 72½.)—Full Nickel	Plated	Boxed
		3.00

**ALL CLAMP
WITH RIBBED BLADE**

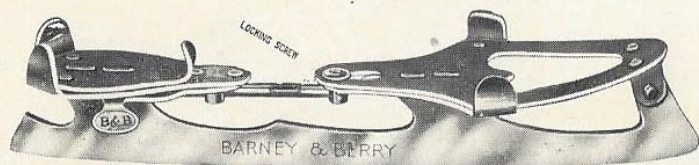

Sizes 9, 9½, 10, 10½, 11, 11½ and 12 inches

Made from the same materials as above All Clamp, but superior in finish. All parts highly polished and nickeled. Blades of **Welded Steel**, our Ribbed Pattern. Temper guaranteed.

GRADE 3. (No. 74.)—Polished and Nickeled	Boxed	\$4.50
For Ladies, GRADE 3, NARROW. (No. 74½.)—Polished and Nickeled	Boxed	4.50
GRADE 5. (No. 76.)—Polished and Nickeled, with diamond toe	Boxed	5.50
For Ladies, GRADE 5, NARROW. (No. 76½.)—Polished and Nickeled, with diamond toe	Boxed	5.50

To order, with Engraved Tops and Etched Blades (see page 12) \$5.00 additional to above prices

**BARNEY & BERRY'S
LOCK LEVER**

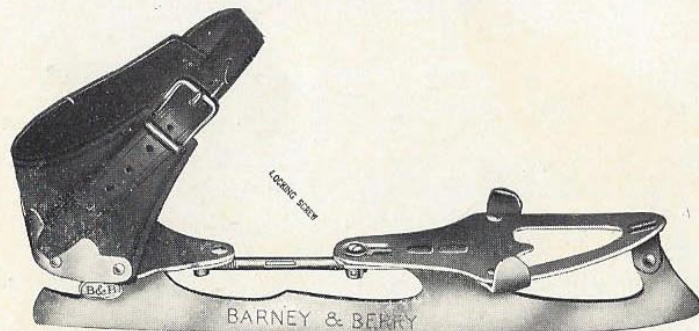

Patented August 12, 1890, January 24, 1899
 Sizes 9, 9½, 10, 10½, 11, 11½, and 12 inches

Up-to-date in every detail. All material used in this skate is of the highest quality. Special shape foot plates and outside clamps which afford correct fit to fashionable shoes. Adjustment locked by set screw in center stud. Every part highly polished and plated. Finish unsurpassed. Blades of WELDED STEEL. TEMPER guaranteed.

GRADE 3. (No. 63.)—Polished and Nickeled	Boxed	\$4.00
For Ladies, GRADE 3, NARROW. (No. 63½.)—Polished and Nickeled	Boxed	4.00

**ELEGANT PRESENT AT ANY TIME,
ESPECIALLY CHRISTMAS**

This cut illustrates Heel Button, Grade 5 Diamond Toe, with Engraved Tops and Etched Blades. We can also furnish any of the styles that are made in Grade 3 or 5 with these ornamentations at the \$5.00 advance. Purchaser has the option of name etched on both sides of the blades, or name on one side and place of residence or any short wording on other side of each blade. A few days are necessary to fill an order for this class of goods.

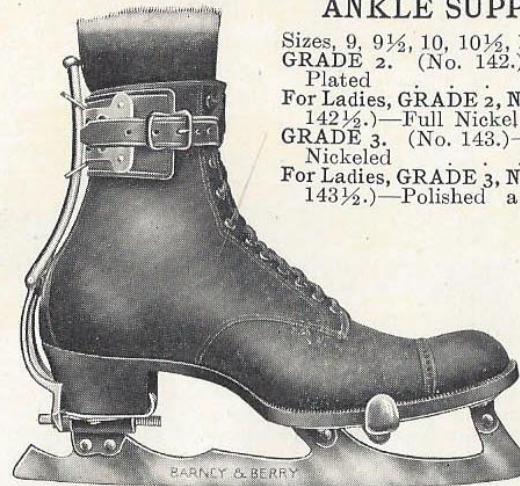

LEATHER BAG (shown on page 25) furnished with Engraved and Etched Skates for \$1.00 extra.

Note IMPORTANT FACTS regarding Heel Button fastening page 20
READ PAGES 26 to 32

**BARNEY & BERRY'S
ANKLE SUPPORT SKATE**

Sizes, 9, 9½, 10, 10½, 11, 11½ and 12 inches

GRADE 2. (No. 142.)—Full Nickel Plated Boxed	\$2.50
For Ladies, GRADE 2, NARROW. (No. 142½.)—Full Nickel Plated Boxed	2.50
GRADE 3. (No. 143.)—Polished and Nickerled Boxed	5.00
For Ladies, GRADE 3, NARROW. (No. 143½.)—Polished and Nickerled Boxed	5.00

A combination of our "All Clamp" and "Model A" Support. Very secure. Key fastening at toe and heel. In ordering, state whether for lady or gentleman. GRADE 2 has solid Steel Blades, Hardened and is full nickel plated.

GRADE 3 has blades of Welded Steel, highest Standard. Finely finished and nickel plated throughout. Fully warranted.

ANKLE SUPPORT, MODEL A

GRADE 2. Nickel Plated	\$1.00
GRADE 3. Polished and Nickerled	1.50

"Model A" is readily attachable to the HIF, All Clamp, Racer and to Hockey Skates having these fastenings. In ordering, state kind, size and grade of Skates for which Supports are wanted.

This support, as shown above attached to skate and ankle has for over thirty years afforded the only PRACTICAL help to skaters having weak ankles.

The lower part forms heel clamp for Skate and a hinge joint connecting with upper part, is made in line with the ankle, allowing the free forward and backward movement, essential for easy skating.

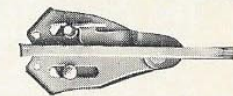

Strap is attached to guard which slides freely up and down, while absolutely preventing ankle from turning sidewise.

ANKLE SUPPORT, MODEL B

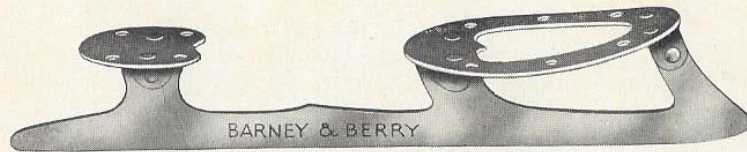

Made only in GRADE 2, Nickerled . . . \$1.00

"Model B" is made to meet the demand for a real support, which may be attached to the ordinary lever skate, such as our A, Z, American Club, Lock Lever, etc.

It is identical in principle with Model A and differs only in the lower part, which is properly formed and provided with two holes for attaching to skate. To attach, it is only necessary to drill two small holes in heel clamp, corresponding to those in support, and fasten securely by means of the rivets which accompany support.

**BARNEY & BERRY'S
E S**

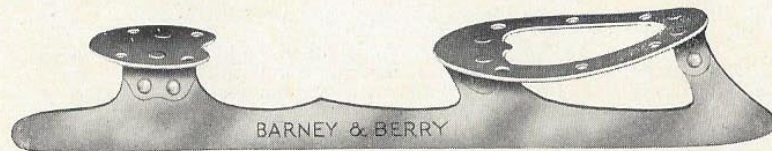

Sizes 9, 9½, 10, 10½, 11, 11½ and 12 inches

An excellent, low priced, Hockey Skate for permanent attachment to shoe. Tops of cold rolled steel. Blades of cast steel, polished, and have same length of bearing upon the ice as the higher grades. Light and attractive.

Made only in **GRADE 2**. (No. 502.)—Full Nickel Plated
Boxed \$1.40

HOCKEY

Sizes 9, 9½, 10, 10½, 11, 11½ and 12 inches

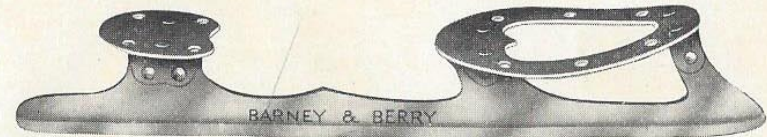

Weight of pair, size 10-inch, is about 26 ounces

This skate is of particular advantage on account of its lightness and the security of its permanent attachment to shoe. Blade is of welded steel, tempered, and has the desirable long bearing upon the ice. Cold rolled steel plates and brackets, best quality.

Made only in **GRADE 2**. (No. 532.)—Full Nickel Plated
Boxed \$2.75

Hockey Rules, Pages 28 and 29

**BARNEY AND BERRY'S
RIBBED HOCKEY**

Sizes 9, 9½, 10, 10½, 11, 11½ and 12 inches

Weight of pair, size 10-inch, is about 24 ounces

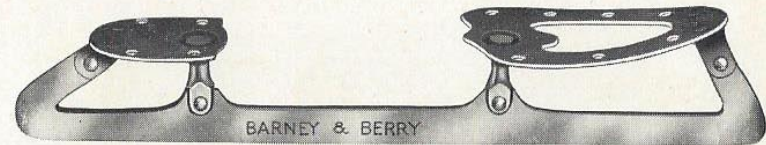

The feature of the Ribbed Hockey line is our attractive Ribbed Blade. This combines lightness with strength and is made of Welded Steel, best grade obtainable.

Fastening simple and secure. Very desirable for those whose frequent use of skates permits a special shoe for permanent attachment.

Made only in **GRADE 2**. (No. 572.)—Full Nickel Plated
Boxed \$3.25

For Ladies, **GRADE 2, NARROW**. (No. 572½.)—Full Nickel
Plated Boxed 3.25

CANADIAN HOCKEY

Sizes 9, 9½, 10, 10½, 11, 11½ and 12 inches

Weight of pair, size 10-inch, is about 26 ounces

A popular Canadian pattern, made in Barney & Berry quality. All material of the best. Edges beveled and finish superior throughout. Blades warranted hard. Exceptionally attractive.

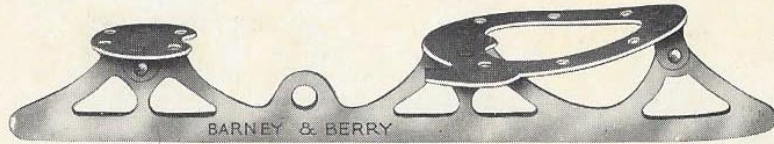

Made only in **GRADE 3**. (No. 633.)—Polished and Nickered
Boxed \$5.00

For Ladies, **GRADE 3, NARROW**. (No. 633½.)—Polished
and Nickered Boxed 5.00

To order, with Engraved Tops and Etched Blades (see page
12) \$5.00 additional

Hockey Rules, Pages 28 and 29

**BARNEY & BERRY'S
SAFETY EDGE HOCKEY**

Patented June 7 1898.

Sizes 9, 9½, 10, 10½, 11, 11½ and 12 inches

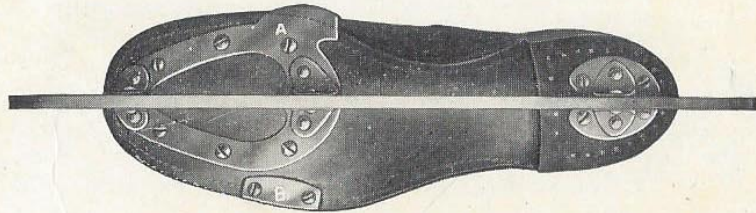

Weight of pair, size 10-inch, is about 23 ounces

A glance at above cut will immediately convince skaters of the superiority of design of this Skate, and that it is extensively imitated flatters the original. The skeleton construction makes the lightest Skate possible, and, by reason of the proper distribution of the braces, is very strong. The Puck Stopper at center is a special feature. Blades of the high temper for which OUR SKATES are celebrated. Fully Warranted.

Made only in GRADE 3. (No. 613.)—Polished and Nicked
Boxed \$4.50

To order, with Engraved Tops and Etched Blades (see page 12) \$5.00 additional

**SAFETY EDGE HOCKEY
ATTACHED TO SHOE**

Patented June 7, 1898

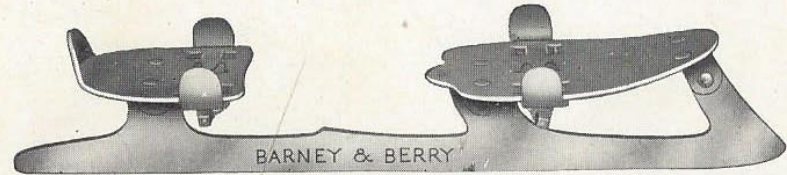

An examination of the shoes used by Hockey players will show them to be badly worn on the edges, such wear showing the frequent contact of the leather with the ice in making short turns, which results in slipping and many falls.

Our patented safety edge foot plate prevents this slipping, having an extension projecting beyond the inside edge of shoe sole, which is ground off to conform to shape of sole, after Skate is fastened for use, as illustrated by the dotted lines at "A" in cut.

We also furnish with each pair of Skates two pieces marked "B" in cut, for use on outer side of sole. All parts finely finished. Workmanship and material guaranteed.

Hockey Rules, Pages 28 and 29

**BARNEY & BERRY'S
E**

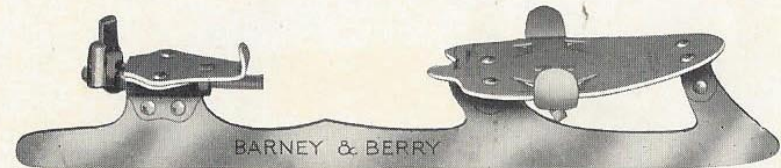

Sizes 9, 9½, 10, 10½, 11, 11½ and 12 inches

A superior detachable Hockey Skate at a nominal price. Attractively designed. Fastened to shoe by means of double threaded screw clamps at sides of sole and heel. Tops of cold rolled steel. Blades of cast steel, polished.

Made only in GRADE 2. (No. 512.)—Full Nickel Plated
Boxed \$1.75

For Ladies, GRADE 2, NARROW. (No. 512½.)—Full Nickel
Plated Boxed 1.75

H F

Sizes 9, 9½, 10, 10½, 11, 11½, and 12 inches

A very popular Hockey Skate with an All Clamp Key fastening. All parts are well made and durable. Blades Solid Steel, Hardened.

The toe clamps being operated by a double threaded transverse screw and the heel clamp by a longitudinal screw, it is impossible for the shoe to slip forward through the clamps.

Adjustable sidewise. In applying to shoe the heel clamp should be tightened first.

Also made with heel plates and double threaded screw clamps to fasten at sides of heel, same as "E" above.

Made only in GRADE 2. (No. 522.)—Nickel Plated
Boxed \$2.25

For Ladies, GRADE 2, NARROW. (No. 522½.)—Nickel
Plated Boxed 2.25

**BARNEY & BERRY'S
HOCKEY
"ALL CLAMP"**

Sizes 9, 9½, 10, 10½, 11, 11½ and 12 inches

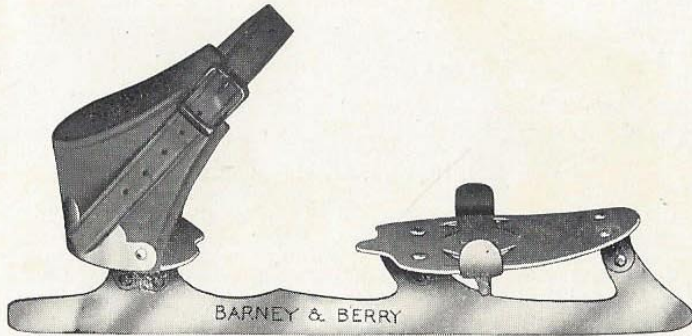

Our Standard Hockey Blade, of Welded Steel. Fastening recognized as the most reliable full clamp for hockey playing. In applying to shoe, tighten heel first.

Grade 2 has well tempered blades, and selected tops of Cold Rolled Steel, all nicely nickel plated.

Grade 3 has blades of our highest standard and is polished throughout and nickel plated. Fully warranted. Also made with heel plates and double threaded screw clamps to fasten at side of heel, same as "E," page 17.

GRADE 2. (No. 542.)—Full Nickel Plated . . .	Boxed	\$3.00
For Ladies, GRADE 2, NARROW. (No. 542½.)—Full Nickel Plated . . .	Boxed	3.00
GRADE 3. (No. 543.)—Polished and Nickeled . . .	Boxed	4.00
For Ladies, GRADE 3, NARROW. (No. 543½.)—Polished and Nickeled . . .	Boxed	4.00
GRADE 3, to order, with Engraved Tops and Etched Blades (see page 12) \$5.00 additional		

LADIES' HOCKEY

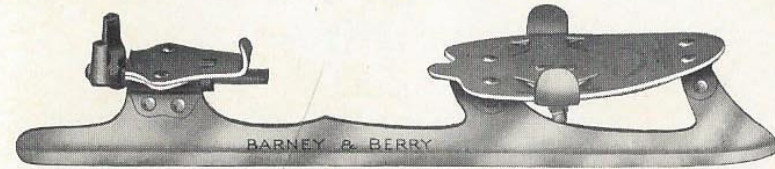

Sizes 9, 9½, 10, 10½ and 11 inches

Our Standard Hockey Blade of Welded Steel. Selected Tops of Cold Rolled Steel. Double threaded screw clamp fastening at toe, Russet Grain Leather Supporting Strap and nickeled band at heel.

Made only in GRADE 2. (No. 492.)—Full Nickel Plated	Boxed	\$3.50
Hockey Rules, Pages 28 and 29		

**BARNEY & BERRY'S
RIBBED HOCKEY "ALL CLAMP"**

Sizes 9, 9½, 10, 10½, 11, 11½ and 12 inches

Equipped with our ribbed pattern, WELDED STEEL blade, combining lightness and strength. Material the best obtainable.

The All Clamp fastening is the most popular of the entire line for Hockey playing and is very secure. See description, page 9.

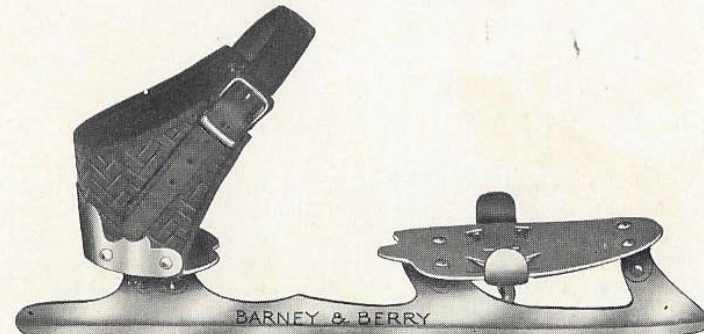

Grade 2 has well tempered blades and tops of Cold Rolled Steel, finely nickel plated throughout.

Grade 3 has our standard Ribbed Hockey blades, tops full polished and nickel plated. Fully warranted.

Also made with heel plates and double threaded screw clamps to fasten at side of heel, same as "E" page 17.

LADIES' RIBBED HOCKEY

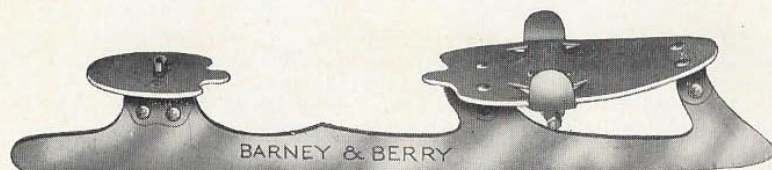

Sizes 9, 9½, 10, 10½ and 11 inches

A combination of the favorite double threaded screw clamp fastening at toe and a heel with the Best Russet Grain Leather Supporting Strap, embossed, stitched and lined. Tops of the best quality cold rolled steel. Improved steel toe clamps. Blades are Welded Steel, our Standard Hockey, Ribbed Pattern. Temper guaranteed.

Made only in GRADE 3. (No. 483.)—Polished and Nickeled	Boxed	\$5.00
To order, with Engraved Tops and Etched Blades (see page 12) \$5.00 additional		
Hockey Rules, Pages 28 and 29		

BARNEY & BERRY'S
HOCKEY
"HEEL BUTTON"

Sizes 9, 9½, 10, 10½, 11, 11½, and 12 inches

Our Standard Hockey Blade of Welded Steel and the most secure of all the detachable fastenings. (Note important facts, below.) Tops of best Cold Rolled Steel. Special shape foot plates and improved steel toe clamps adjustable sidewise. Finely polished throughout. Temper of blades and workmanship guaranteed.

Made only in **GRADE 3**. (No. 553.)—Polished and Nickeled
Boxed \$4.00

To order, with Engraved Tops and Etched Blades (see page 12)
\$5.00 additional

HEEL BUTTON FASTENING

We desire to call particular attention to a few important facts regarding this fastening, used in connection with the double threaded screw clamps. Shown above and on page 12.

1st. It is recognized by all expert skaters as the most secure detachable skate fastening, for the simple reason that any skate that comes off in use loosens at the heel first.

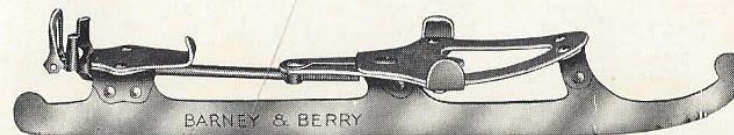

2d. It is a very little more trouble to attach this secure fastening to the shoe than to adjust and fasten other styles.

3d. It reduces the weight of the skate materially.

4th. It allows the heel plates to be set in the position best suited to skater, whatever the size or shape of boot heel.

It is constantly growing in favor as shown by the general demand, and we recommend it in either of the styles mentioned, both of which have our guaranteed blades, the superior quality of which is universally acknowledged.

BARNEY & BERRY'S
RACER
KEYLESS

Sizes 10, 10½, 11, 11½ and 12 inches.

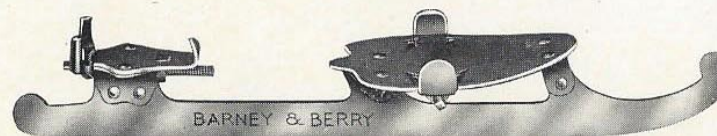

This Skate is designed especially for fast skating. All material is of the best. Blades of welded steel, temper guaranteed. Made extra long and as light as is consistent with strength. Foot plates of shape to conform to the latest styles of shoes. Heel and toe clamps adjusted and fastened to shoe simultaneously by lever at back of heel.

The Racer can also be furnished with All Clamp fastening (illustrated below), Heel Button fastening, or with foot and heel plates counter-sunk for screws to fasten permanently to shoes.

Made only in **GRADE 3**. (No. 813.)—Polished and Nickeled
Boxed \$5.00

To order, with Engraved Tops and Etched Blades (see page 12)
\$5.00 additional

RACER
ALL CLAMP

Sizes 10, 10½, 11, 11½ and 12 inches

For the skater who desires a speedy blade and the very secure "All Clamp" fastening. Blades of welded steel, temper guaranteed. Tops of Best Quality Cold Rolled Steel. Special shape foot plates and improved steel toe clamps, adjustable sidewise. In attaching to shoes tighten heel first.

Made only in **GRADE 3**. (No. 823.)—Polished and Nickeled
Boxed \$5.00

To order, with Engraved Tops and Etched Blades (see page 12)
\$5.00 additional.

**BARNEY & BERRY'S
BOY'S RACER
S**

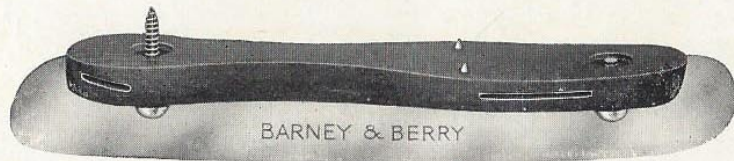

Sizes 11, 12 and 13 inches

Woods of beech, well finished, reinforced at toe. Russet leather straps with tongue buckles. Blades cast steel, polished. Very serviceable and popular among the boys.

Above sizes indicate lengths of woods. Blades are two inches longer on either size.

S. (No. 850.) Paper Wrapped \$2.00

**WOOD-TOP ROCKER
R**

Sizes 9½, 10, 10½, 11, 11½ and 12 inches.

Woods of beech, well finished. Black leather straps with tongue buckles. Blades cast steel, polished.

R. (No. 800.) Paper Wrapped \$2.00

**BARNEY & BERRY'S
WOOD-TOP RACER
Styles A and B**

Runners, 14, 16 and 18 inches.

This is the finest trimmed wood-top racing skate in the market. Blades one-eighth of an inch thick. Woods of beech, finely finished, center and toe plates set flush, and ornamental heel plates. Best Quality Russet Grain Leather Straps.

Style A has natural finished woods, nickel plated top plates, and plain finished blades.

Style B has rosewood finished woods, metal parts finely polished and nickel plated throughout. Blades tempered, polished and nickeled.

STYLE A. (No. 832.)—Plain Finish Boxed \$3.00

STYLE B. (No. 833.)—Tempered, Polished and Nickeled
Boxed 4.00

**WOOD-TOP RACER
Style C**

Runners, 14, 16 and 18 inches.

This style is fitted with the button heel in place of the long screw of the ordinary Wood-Top Racer and makes a very satisfactory Skate. Rosewood finish woods, center and toe plates set flush, and all metal parts finely polished and nickel plated.

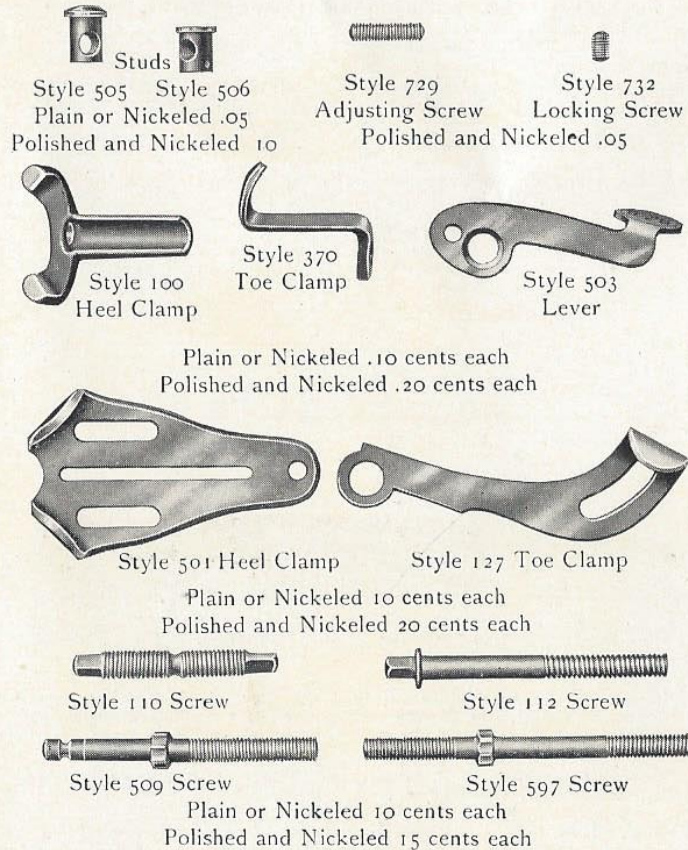

Blades one-eighth inch thick, tempered, polished and nickeled. Russet grain leather toe straps, best quality.

STYLE C. (No. 843.)—Tempered, Polished and Nickeled
Boxed \$4.00

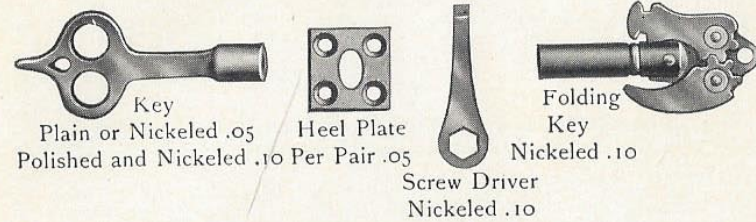

BARNEY & BERRY'S EXTRA PARTS

The demand for extra parts of OUR SKATES is very limited, the variety necessarily great, and owing to the slight difference in the appearance of many we illustrate but a few, giving their names that purchaser may readily ascertain the style required.

When ordering, if possible, SEND BROKEN PART to be duplicated, otherwise give full description of part, NOT omitting style number, also state NAME, SIZE, whether RIGHT or LEFT, and FINISH of skate for which it is required. In order for toe clamp, always mention if wanted for inside or outside of skate.

BARNEY & BERRY'S ACCESSORIES

SKATE STRAPS (Extra Quality)

FIGURE SKATING

See page opposite.

Mr. Brokaw won the championship for 1906 on Barney & Berry skates.

HOCKEY RULES

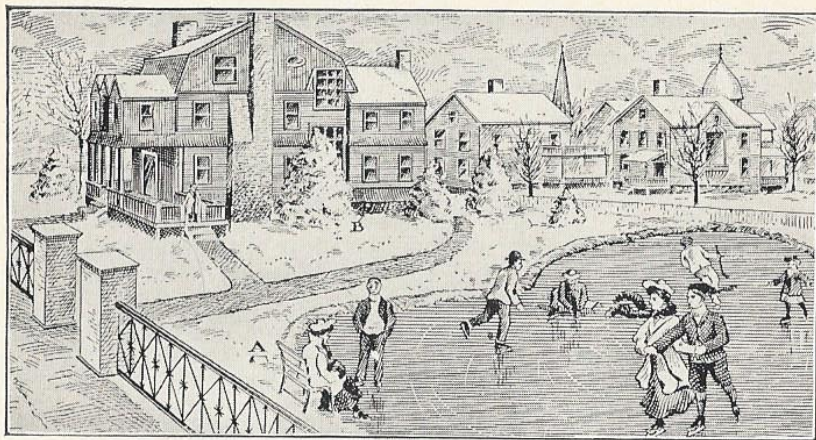

Which govern the game in the principal leagues of this country and Canada

1. A team shall be composed of seven players.
2. Ice surface must be at least 150 feet long by 50 feet wide. Goals shall be 6 feet wide and 4 feet high, provided with nets and placed at least 8 feet from the edge of the ice.
3. The game shall be commenced and renewed by a face in the center of the rink. Definition of face: the puck shall be faced by the sticks of two opponents and the referee then calling "play."
4. Two twenty-minute halves with an intermission of ten minutes between will be allowed for matches. No stops of more than five minutes. A match will be decided by the team winning greatest number of goals during that time. In the case of a tie, after playing the specified two periods, ten minutes intermission will be allowed and play will then continue until one side secures a goal but the extra time shall not exceed fifteen minutes. In the event of no deciding goal the referee shall declare the match a draw. Goals shall be changed after each half.
5. Should the game be temporarily stopped by the infringement of any of the rules, the captain of the opposite team may claim that puck be taken back and a face take place where it was last played from before such infringement occurred.
6. When a player hits the puck any one on the same side who at such moment of hitting is nearer the opponent's goal line is out of play, and may not touch the puck himself nor in any way whatever prevent any other player from doing so until the puck has been played. A player must always be on his own side of the puck.
7. The puck may be stopped but not carried or knocked on by any part of the body, nor shall any player close his hand on or carry the puck to the ice in his hand. No player shall raise his stick above the shoulder, except in lifting the puck. Charging from behind, cross checking, tripping, collaring, kicking, clubbing or slashing shall not be allowed, and for any infringement of these rules the referee may rule the offending player off the ice for that match or for such portion of the actual playing time as he may see fit.

HOCKEY RULES--Continued

8. When the puck goes off the ice or a foul occurs behind the goals, it should be taken by the referee to five yards at right angles from the goal line and there faced. When the puck goes off the ice at the sides, it should be taken by the referee to five yards at right angles from the boundary line and there faced.
9. The goal keeper must not, during play, lie, kneel or sit on the ice, but must maintain a standing position.
10. Hockey sticks shall not be more than 3 inches wide at any point.
11. All disputes during the match shall be decided by the referee, and he shall have full control of all players and officials from commencement to finish of matches, inclusive of stops, and his decision shall be final.
12. All questions as to goals shall be settled by the umpires, and their decisions shall be final.
13. In the event of any dispute as to the decision of an umpire or timekeeper, the referee shall have power to remove and replace him.
14. Special rules for cases of disorderly conduct, profane language, or where a player strikes with intention to injure.

BARNEY & BERRY'S
ILLUSTRATION OF AN INEXPENSIVE PRIVATE RINK

HOW TO CONSTRUCT

Select a level piece of sod-ground, say 20 x 40 feet, and build a clay loam dike around the border 12 inches high by 12 inches wide on the top with sloping sides, thus:—

Where the soil is sandy, or the turf will not hold water, cover the bottom surface with about four inches of clay, to make everything water tight.

Never allow water to stand in it and if built early in the Fall, provide an outlet to carry off water that may accumulate from the Fall rains. (See waste water pipe marked A.)

Everything being in readiness, when the thermometer falls 8 degrees below freezing, connect the garden hose with the sill cock, use the fine rose nozzle, and play the stream up in the air so as to have it come down in the form of a fine mist, and freeze on striking the ground, as no water must be allowed to stand in puddles nor run on striking the surface, at any time, as it will make shelly ice.

Skating may be commenced on one inch of ice on the first night after spraying.

Continue to spray every cold night until the ice is six inches thick.

Snow must not be allowed to remain on the ice after a storm, as it injures the ice for skating if not promptly removed.

A rink of this size will accommodate twelve persons, may be constructed without harm to the lawn, and is perfectly safe; affording one of the most pleasant and health-giving amusements for both sexes and all ages.

A FEW OF MANY VOLUNTARY TESTIMONIALS.

FROM LARGEST ARTIFICIAL ICE RINK IN THE WORLD.

PITTSBURGH, PA., June 19, 1906

DEAR SIR: It gives us pleasure to recommend the Barney & Berry skates, which hundreds of our regular patrons say is the best skate manufactured. During the eight years' operation of Duquesne Garden, several thousand pairs of Barney & Berry skates have been in use and have always given entire satisfaction. The Barney & Berry Safety Edge Hockey Skate is used and endorsed by the majority of our local hockey teams.

Very truly yours,

A. S. McSWIGAN,
Manager, Duquesne Garden

FIGURE SKATING CHAMPION 1906.

NEW YORK, March 6, 1906

I take pleasure in thanking you for the superb skates which last Friday and Saturday helped me win the championship at the St. Nicholas Rink.

The steel in the blades is the hardest I ever saw and the rock is just right in my opinion.

Cordially,

IRVING BROKAW

THE FAMOUS DAVIDSONS.

EAST ORANGE, N. J., June 9, 1906

My sister, Fanny Davidson, and myself have been using the Barney & Berry skate for the past ten years and while we are considered by all who have witnessed our exhibitions as premiers at fancy and trick skating, I can honestly say that we have greatly improved our work by using the Barney & Berry skate.

Signed,

JOHN F. DAVIDSON,
World's Greatest Professional Skater

PROMINENT NEW YORK MANAGER,

March 31, 1906

I have no hesitation in stating that the skates give the utmost satisfaction, and I recommend them highly.

PETER J. FISHER,
Proprietor and Manager, St. Nicholas Rink

AN OLD TIME CHAMPION SAYS:

CHICAGO, ILL., February 12, 1906

I can heartily recommend your skates, having used them during all my professional skating career of twenty years, in America and Europe. I used one pair all this time without any repairs.

E. T. GOODRICH,
Ex-Champion of America

FROM PARIS.

June 18, 1906

The quality and workmanship of the skates made by Barney & Berry are such that I have used and recommended them for many years, and my pupils have been very much pleased with them.

PROFESSOR RICHARD,
Chief Instructor Le Pole Nord

FROM A PROMINENT CANADIAN SKATER.

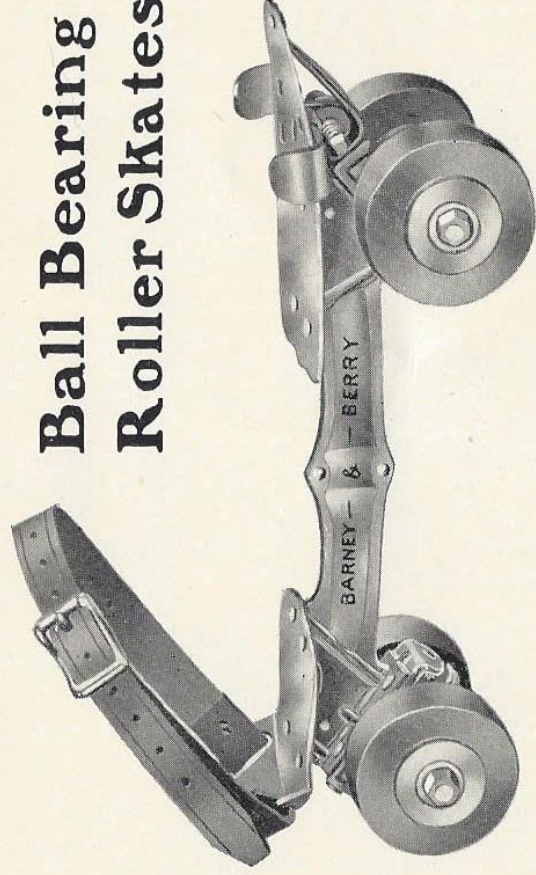

LONDON, ENG., October 27, 1905

I have never had such complete satisfaction with a pair of skates in my life as I am having with the pair you made for me.
