**The Samuel Winslow Skate
Manufacturing Co.,**

WORCESTER, MASS.

Winslow's National Club Skates.

This cut represents $\frac{3}{0}$, $\frac{1}{0}$, 300, 400.

No. $\frac{3}{0}$. Runners of very best rolled cast steel. Highly polished. Washer attachment to toe plate. Plates, clamps, etc., of cold rolled steel, bright finished. Screws with knurl. Put up in paper.

Sizes, 8 to 12 inches.

Price, \$1.00.

No. $\frac{1}{0}$. Same as No. $\frac{3}{0}$, but nickel plated and buffed. Put up in paper.

Sizes, 8 to 12 inches.

Price, \$1.50.

No. 300. Runners of hardened steel, highly polished. Washer attachment to toe plate. Plates of cold rolled steel, blued finished. Screws with knurl. Put up in paper.

Sizes, 8 to 12 inches.

Price, \$1.50.

No. 400. Same as No. 300, but nickel plated and buffed. Put up in paper.

Sizes, 8 to 12 inches.

Price, \$2.00.

Winslow's National Club Skates.

This cut represents $\frac{5}{0}$, $\frac{6}{0}$, 9, 11.

No. $\frac{5}{0}$. The runners are of welded iron and steel, hardened and tempered, and of the same quality as the best used for many years. Plates, clamps, etc., of cold rolled steel. Screws with knurl. All parts blued finish. The cheapest skate with absolute first quality welded runner stock in the market. Put up in boxes.

Sizes, 8 to 12 inches.

Price, \$2.25.

No. $\frac{6}{0}$. Same as No. $\frac{5}{0}$, but nickel plated and buffed throughout. Put up in boxes.

Sizes, 8 to 12 inches.

Price, \$3.00.

No. 9. The runners are welded iron and steel, hardened and tempered and nickel plated, and with beveled edges. Plates, clamps and levers of best quality cold rolled steel. Screws with knurl. All parts nickel plated and buffed. Put up in boxes.

Sizes, 8 to 12 inches.

Price, \$3.75.

No. 11. The runners are of welded iron and steel, hardened and tempered and beautifully nickel plated, with beveled edges. The heel and toe plates have beveled edges, and are made of best cold rolled steel. Clamps are made from special crucible steel. Screws with knurl. All parts are highly polished, nickel plated and buffed. (The finest plain finished stock skate in the market.) Put up in boxes.

Sizes, 8 to 12 inches.

Price, \$4.50.

Winslow's National Club Skates.

No. 10.

Cut represents No. 10.

The runners are the Flanged Model, which makes them light, strong, and attractive. They are made from welded iron and steel, hardened and tempered, with chamfered edges.

All parts are made from special cold rolled steel, polished edges. The entire skate is nickel plated and buffed throughout. Put up in boxes.

Sizes, 8 to 12 inches.

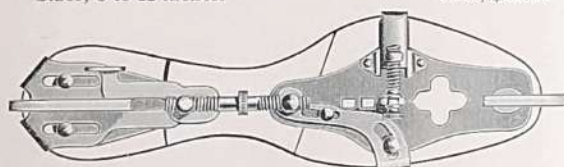

Price, \$1.00.

No. 12.

The runners are the same as No. 10. The parts are made from the same material as No. 10 but are highly polished. The entire skate is nickel plated and thoroughly buffed. Put up in boxes.

Sizes, 8 to 12 inches.

Price, \$5.00.

Cut Showing Side Adjustments for No. 20.

No. 20. **Flanged Runner Pattern.** Patented January 7, 1902. Cut above represents our skate with device for side adjustments so the skate may be adjusted on the shoe as desired.

The runners are welded steel, hardened and tempered. Plates and runners have beveled edges. Clamps are made from special crucible steel. The entire skate is finely polished, nickel plated and buffed throughout, and is the finest polished and nickel plated stock skate made. Put up in boxes.

Sizes, 9 to 12 inches.

Price, \$5.50.

St. Nicholas Skating Club Rink Skates.

(Dedicated to the St. Nicholas Rink of New York.)

Runners. Flanged Runner Pattern.

The runners are the flanged model, which makes them light, strong and attractive. They are made from welded iron and steel, hardened and tempered. They are the hardest runners made. The curves of the bottoms are the same as adopted by the St. Nicholas Skating Club of New York. Every runner warranted.

Finish.

All parts are highly polished, heel and toe plates and runners have beveled edges. The entire skate is nickel plated and thoroughly buffed.

By means of the right and left hand screw connecting toe clamps, the skate may be adjusted to any position on the shoe as desired.

RINK HALF CLAMP AS CUT BELOW.

Sizes, 8 to 12 inches. Put up in boxes.

Price, \$5.00.

With toe points for figure skating,

Price, \$6.00.

RINK ALL CLAMP AS CUT BELOW.

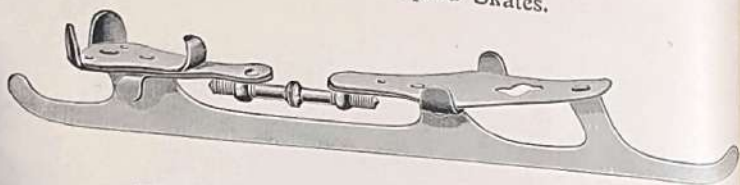

Sizes, 8 to 12 inches. Put up in boxes.

Price, \$5.00.

We also make our Rink Skates with toe and heel plates, so they may be screwed to the shoes, at same prices as with clamps. Put up in boxes.

THESE SKATES ARE ALSO MADE FOR LADIES, WITH NARROW TOE PLATES AND SMALL HEEL PLATES.

Winslow's Speed Skates.

This Speed Skate combines, in the shape and quality of its runner, all the points of excellence known to the Champion Speed Skaters of the World. The shoe attachment is light and strong. Winslow's Speed Skates save the feet and legs the weariness occasioned by the use of straps in the wood top skates. Our Stock Speed Skates are made with flat runners as per descriptions below.

Sizes, 9 1-2 to 12 inches in all grades.

No. **310**. Runners made from best rolled cast steel, highly polished. Other parts made from cold rolled steel, bright finished. Put up in boxes.

Price, **\$1.50.**

No. **320**. Same material and finish as No. 310, but nickel plated and buffed. Put up in boxes.

Price, **\$2.50.**

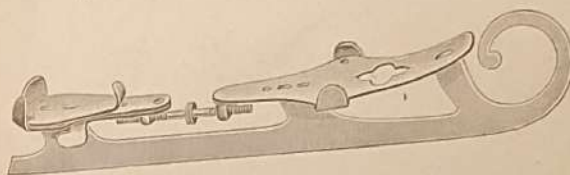

No. **350**. The runners are of welded iron and steel, hardened and tempered. Toe and heel plates and clamps are made of cold rolled steel, blued finish. Put up in boxes.

Price, **\$3.00.**

No. **360**. Same material and finish as No. 350, but nickel plated and buffed throughout. Put up in boxes.

Price, **\$4.00.**

Winslow's "Antique" Speed Skates.

Our "Antique" Speed Skates have hand forged runners, and they present a very unique appearance. The fastenings to the shoe are the same as our regular speed skates, and all that is claimed on the preceding page for our regular Speed Skate is obtained in our "Antique." They are made with flat runners.

Sizes, 9 1-2 to 12 inches in all grades.

No. **510**. Runners made from the best rolled cast steel, highly polished. Other parts made from cold rolled steel, bright finished. Put up in boxes.

Price, **\$1.50.**

No. **520**. Same material and finish as No. 510, but nickel plated and buffed. Put up in boxes.

Price, **\$2.50.**

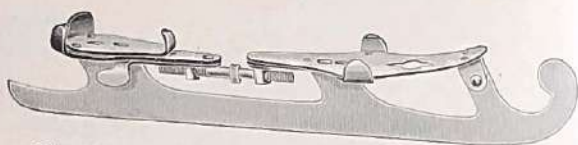

No. **550**. The runners are of welded iron and steel, hardened and tempered. Toe and heel plates and clamps are made of cold rolled steel, blued finish. Put up in boxes.

Price, **\$3.00.**

No. **560**. Same material and finish as No. 550, but nickel plated and buffed throughout. Put up in boxes.

Price, **\$4.00.**

Winslow's "Dutch Flyer" Skates.

The "Dutch Flyer" is made in four grades, as per descriptions below.

The curve of the runners is such that they are adapted for speed and figure skating not requiring toe movements, and many hockey players prefer this curve to the flat runner. They have been pronounced the easiest running skate made.

Sizes, 9 1-2 to 12 inches in all grades.

No. **610**. Runners made from the best rolled cast steel, highly polished. Other parts made from cold rolled steel, bright finished. Put up in boxes.

Price, **\$1.50**.

No. **620**. Same material and finish as No. 610, but nickel plated and buffed. Put up in boxes.

Price, **\$2.50**.

No. **650**. The runners are of welded iron and steel, hardened and tempered. Toe and heel plates are made of cold rolled steel, blued. Clamps are made from crucible steel. Put up in boxes.

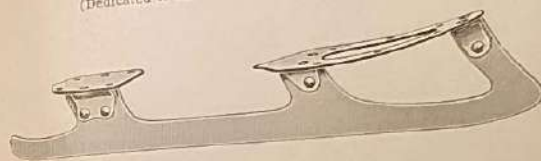

Price, **\$3.00**.

No. **660**. Same material and finish as No. 650, but nickel plated and buffed throughout. Put up in boxes.

Price, **\$4.00**.

St. Nicholas Skating Club Hockey Skates.

(Dedicated to the St. Nicholas Rink of New York.)

The St. Nicholas Skate represents the combined judgment of the most celebrated ice hockey players in the United States and Canada. Runners are made with straight bottoms.

We wish to call attention to the extra quality and strength of steel used in the brackets on hockey skates. Every bracket warranted not to break.

No. **710**. The runners are made from the best rolled cast steel, highly polished. Other parts made from cold rolled steel, bright finished. Put up in boxes.

Sizes, 8 to 12 inches.

Price, **75 cents**.

No. **720**. Same material and finish as No. 710, but nickel plated and buffed. Put up in boxes.

Sizes, 8 to 12 inches.

Price, **\$1.25**.

No. **750**. The runners are of welded iron and steel, hardened and tempered, which makes the best runner that can be made for a hockey skate. Toe and heel plates are made of cold rolled steel, blued. Put up in boxes.

Sizes, 8 to 12 inches.

Price, **\$2.50**.

No. **760**. Same material and finish as No. 750, but nickel plated and buffed throughout. Put up in boxes.

Sizes, 8 to 12 inches.

Price, **\$3.00**.

St. Nicholas Skating Club Hockey Skates.

(Dedicated to the St. Nicholas Rink of New York.)

HALF CLAMP FASTENING.

The St. Nicholas Skate represents the combined judgment of the most celebrated ice hockey players in the United States and Canada. Runners are made with straight bottoms.

We wish to call your attention to the extra quality and strength of steel used in the brackets on hockey skates. Every bracket warranted not to break.

No. 810. The runners are made from the best rolled cast steel, highly polished. Other parts made from cold rolled steel, bright finished. Put up in boxes.

Sizes, 8 to 12 inches.

Price, \$1.50.

No. 820. Same material and finish as No. 810, but nickel plated and buffed. Put up in boxes.

Sizes, 8 to 12 inches.

Price, \$2.50.

No. 850. The runners are of welded iron and steel, hardened and tempered, which makes the best runner that can be made for a hockey skate. Other parts are made of cold rolled steel, blued. Put up in boxes.

Sizes, 8 to 12 inches.

Price, \$3.00.

No. 860. Same material and finish as No. 850, but nickel plated and buffed. Put up in boxes.

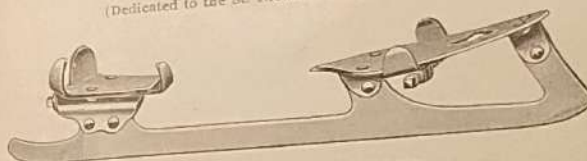

Sizes, 8 to 12 inches.

Price, \$4.00.

HOCKEY SKATES DESCRIBED ON THIS PAGE ARE MADE IN ALL GRADES WHEN ORDERED FOR LADIES. FOR LADIES' USE THE TOE PLATES ARE NARROWER AND THE HEEL PLATES SMALLER THAN ON MEN'S SKATES.

HOCKEY SKATES DESCRIBED ON THIS PAGE ARE MADE IN ALL GRADES WHEN ORDERED FOR LADIES. FOR LADIES' USE THE TOE PLATES ARE NARROWER AND THE HEEL PLATES SMALLER THAN ON MEN'S SKATES.

National Club Hockey Skates.

The National Club Hockey is intended for those who desire the same fastening as used on our standard line of skates. These skates have a hockey runner made with a straight bottom.

No. 1010. The runners are made from the best rolled cast steel, highly polished. Other parts made from cold rolled steel, bright finished. Put up in boxes.

Sizes, 8 to 12 inches.

Price, \$1.50.

No. 1020. Same material and finish as No. 1010, but nickel plated and buffed. Put up in boxes.

Sizes, 8 to 12 inches.

Price, \$2.50.

No. 1050. The runners are of welded iron and steel, hardened and tempered, which makes the best runner that can be made for a hockey skate. Other parts are made of cold rolled steel, blued. Put up in boxes.

Sizes, 8 to 12 inches.

Price, \$3.00.

No. 1060. Same material and finish as 1050, but nickel plated and buffed throughout. Put up in boxes.

Sizes, 8 to 12 inches.

Price, \$4.00.

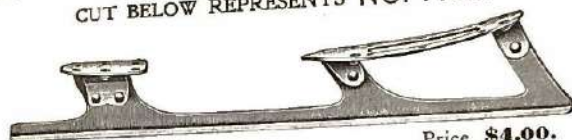

St. Nicholas Skating Club Hockey Skates.

(Dedicated to the St. Nicholas Rink of New York.)

Flanged Runner Pattern.

The cuts below represent our St. Nicholas Hockey Skates with three different fastenings and made in one grade only. They represent the combined judgement of the most celebrated ice hockey players in the United States and Canada.

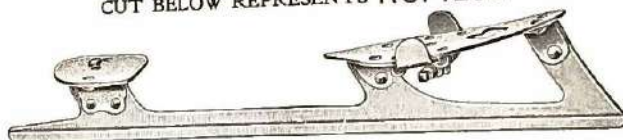

CUT BELOW REPRESENTS NO. 1160.

Price, \$4.00.

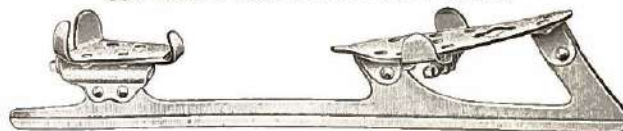

CUT BELOW REPRESENTS NO. 1260.

Sizes, 8 to 12 inches.

Price, \$5.00.

CUT BELOW REPRESENTS NO. 1360.

Sizes, 8 to 12 inches.

Price, \$5.00.

Runners.

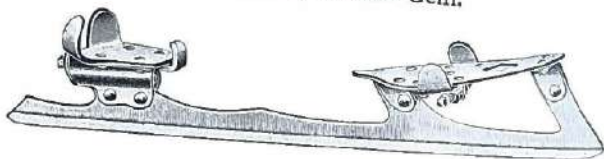

The runners are the flanged model, which makes them light but strong. Made from welded steel and iron, hardened and tempered, and highly polished. Every pair warranted.

Finish.

The parts are made from special cold rolled steel, with polished edges. The entire skate is nickel plated and buffed throughout. All the above skates are put up in boxes.

HOCKEY SKATES DESCRIBED ON THIS PAGE ARE MADE IN ALL GRADES WHEN ORDERED FOR LADIES. FOR LADIES' USE THE TOR PLATES ARE NARROWER AND THE HEEL PLATES SMALLER THAN ON MEN'S SKATES.

All Clamp Ladies' Gem.

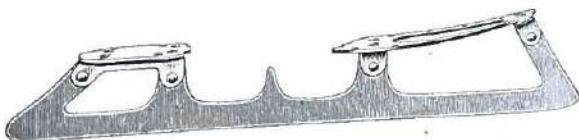

The above cut represents an all clamp Semi-hockey and is intended for ladies' use. The runners are the flanged model and are slightly curved. The heel is shorter than a full hockey skate which makes them especially desirable for ladies. Put up in boxes.

Sizes, 8 to 11 inches.

Price, \$5.00.

"JANUS."

Our Janus Hockey is made with or without Puck Stopper, and will be furnished with Puck Stopper unless otherwise ordered. The runners are straight on the bottoms and are made of welded iron and steel, hardened and tempered. Other parts made of extra quality cold rolled steel. The entire skate is nickel plated and buffed. Put up in boxes.

Sizes, 9 to 12 inches.

Price, \$5.00.

Winslow's Wood Top Rockers.

All runners of wood top skates are fastened to woods by thimbles which prevents the woods from splitting.

No. 245. Half Rocker. Varnished beech woods. Runners made from cast steel.

Sizes, 9½ to 12 inches. With straps.

Price, \$2.00.

No. 250. Full Rocker with same finish and material as No. 245.

Sizes, 9½ to 12 inches. With straps.

Price, \$2.00.

No. 330. Full Rocker. Polished beech woods, natural color, with nickel plated heel, center and toe plates. Runners made from welded steel and iron, hardened and tempered, and nickel plated.

Sizes, 9½ to 12 inches. With straps.

Price, \$3.50.

No. 480. Full Rocker and same design as No. 330. Woods highly polished, rosewood finish. Nickel plated heel, center and toe plates. Runners made from welded steel and iron, hardened and tempered, and nickel plated.

Sizes, 9½ to 12 inches. With straps.

Price, \$4.00.

Winslow's Wood Top Skates.

No. E. Wood-top Hockey Skate. Varnished beech wood. Runners made from solid cast steel one-fourth inch thick and straight on the bottom.

Lengths of woods, 10, 11, 12 in. With straps. Price, \$2.00.

Winslow's Racers.

No. K. Varnished beech woods. Nickel plated heel, center and toe plates. Runners made from cast steel, one-eighth inch thick. Put up in boxes.

Sizes, 14, 16, 18 inch runners. With straps. Price, \$3.00.

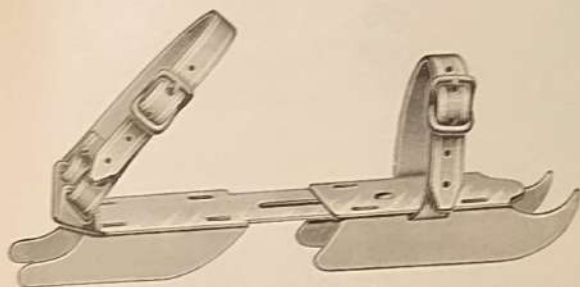

No. M. Made exactly the same as No. K, only the runners are bored, which lightens the runners and is preferred by those desiring the lightest possible speed skate. Runners one-eighth inch thick. Put up in boxes.

Sizes, 14, 16, 18 inch runners. With straps. Price, \$3.00.

No. O. Same design as No. K. Woods highly polished, rose-wood finish. Runners one-eighth inch thick, made from crucible steel, hardened and tempered, nickel plated. Nickel plated heel, center and toe plates. Put up in boxes.

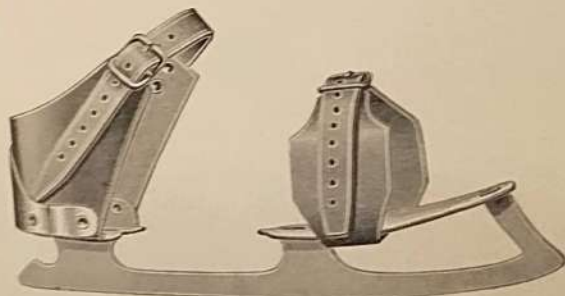

Sizes, 14, 16, 18 inch runners. With straps. Price, \$4.50.

Winslow's Double Runner Skates.

This skate is especially adapted for children learning to skate, and people with weak ankles. They are strapped complete and ready for use. The runners are so wide apart that a child can stand on them with perfect ease. They are adjustable and can be made from a 6 inch to a 9 1/2 inch skate by simply adjusting the thumb screw under the front foot plate.

Price, 50 cents per pair.

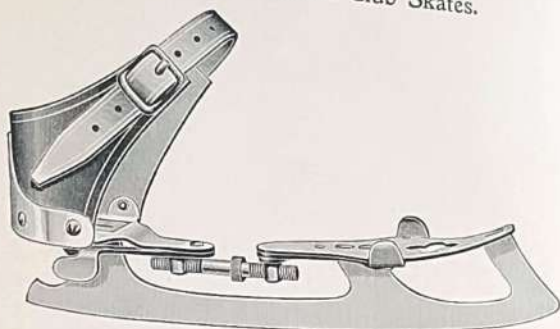

This cut represents No. 26.

No. 26. Rolled cast steel runners, polished. Bright finished, cold rolled steel plates. Russet leather straps. Put up in paper.

Sizes, 7 to 11 1/2 inches.

Price, \$1.00.

Winslow's National Club Skates.

This cut represents Nos. 40, 43 and 630.

No. 40. Runners of the very best cast steel. Highly polished. Washer attachment to toe plate. Plates, clamps, etc., of cold rolled steel. Screw with knurl. Russet straps and nickel plated heel bands. Put up in paper.

Sizes, 8 to 11½ inches.

Price, \$1.75.

No. 43. Same as No. 40, but nickel plated and buffed. Put up in paper.

Sizes, 8 to 11½ inches.

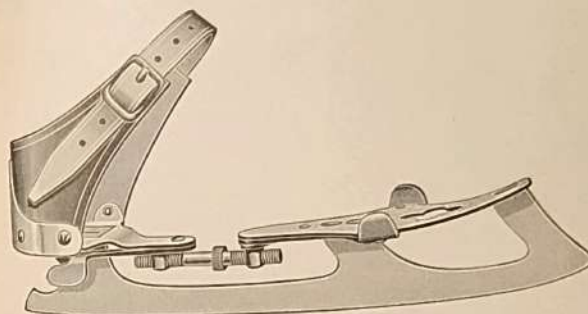

Price, \$2.50.

No. 630. Full nickel plated and thoroughly buffed. Runners of hardened steel. Highly polished. Washer attachment to toe plate. Plates, clamps, etc., of cold rolled steel. Screws with knurl. Russet straps. Put up in paper.

Sizes, 8 to 11½ inches.

Price, \$2.75.

Winslow's National Club Skates.

This cut represents Nos. 49, 50, 52.

No. 49. The runners are of welded iron and steel, hardened and tempered, and of same quality as the best used for many years. Plates, clamps, etc., of cold rolled steel. Russet straps. The cheapest skate, with absolutely first quality welded runner stock in the market. Nickel plated and buffed throughout. Put up in boxes.

Sizes, 8 to 11½ inches.

Price, \$3.50.

No. 50. Cut above. The runners are made from best welded iron and steel, hardened and tempered, with beveled edges. Plates, clamps and levers of the best quality cold rolled steel. All parts are nickel plated and thoroughly buffed. Russet straps. Put up in boxes.

Sizes, 8 to 11½ inches.

Price, \$4.00.

No. 52. Cut above. Same design as No. 50. Edges of heel and toe plates beveled, and made of best crucible steel with all parts very highly polished. Hardened and tempered welded iron and steel runners with beveled edges. The entire skate is finely nickel plated and buffed throughout. Russet straps. Put up in boxes.

Sizes, 8 to 11½ inches.

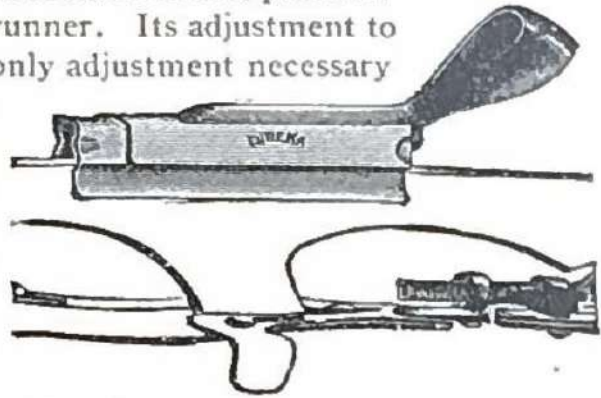

Price, \$5.00.

Winslow's "Eureka" Skate Tool.

This tool is scientific in construction and practical in use. It concaves a skate runner. Its adjustment to any skate is automatic. The only adjustment necessary for the operator to make is when the file is changed to a new side; then the tool opens like a jack-knife and closes as easily. Not a screw or bolt is used in its construction. The files are cut on four sides—two flat sides and two convex.

It is nickel plated. One dozen in a box.

Price, **25 cents** each.

Winslow's Ankle Brace.

PATENTED DEC. 17, 1895.

The only perfect Ankle Support made.

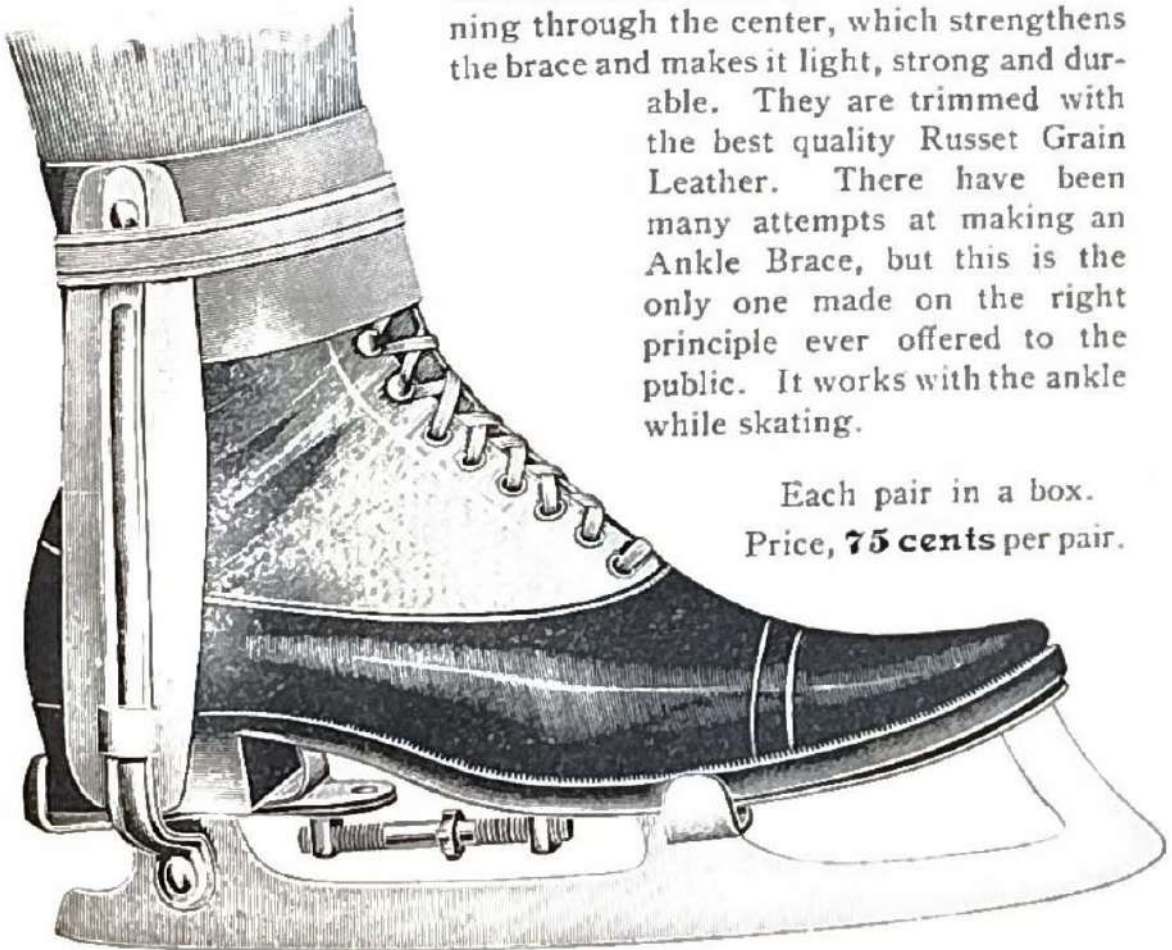

Can be attached to any skate.

We desire to call your attention to Winslow's Ankle Brace. It can be attached to any skate by drilling a hole in the blade. It is made of steel, nickel plated, with a rib running through the center, which strengthens the brace and makes it light, strong and durable.

They are trimmed with the best quality Russet Grain Leather. There have been many attempts at making an Ankle Brace, but this is the only one made on the right principle ever offered to the public. It works with the ankle while skating.

Each pair in a box.

Price, **75 cents** per pair.
