WINSLOW'S SKATES.

Number A. D.

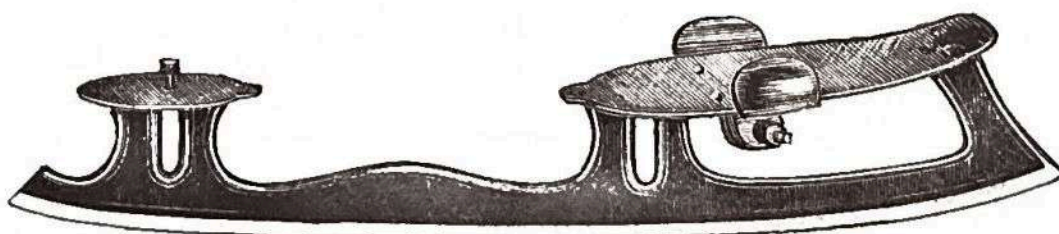

Lengths, 7 to 11½ inches.

Price, 60 cents per pair.

All Steel, in Latest Design. They are strong and tough, and will not break with hardest wear. Broad Toe Straps, Heel Buttons and Plates. The best article ever made, at smallest cost.

WINSLOW'S SKATES.

Number H.

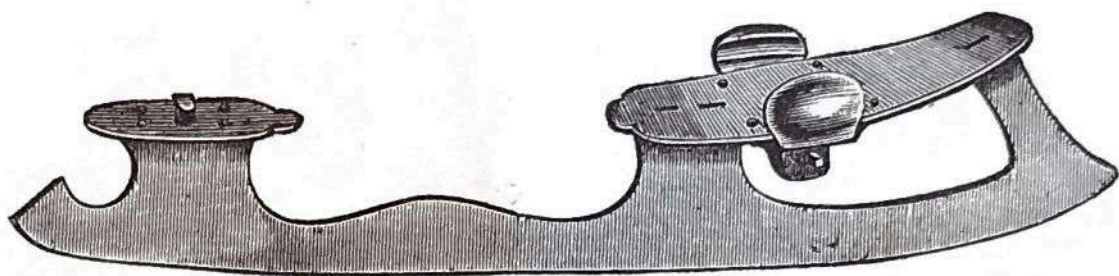

Lengths, 7½ to 11½ inches.

Price, \$1.25 per pair.

In new Designs, all Steel, unbreakable in use, with Double Acting Toe Clamps, Japanned Tops, Heel Plates and Buttons. The cheapest Club Skate with Toe Clamps. Recommended for strength and serviceable quality.

WINSLOW'S SKATES.

Number B. B.

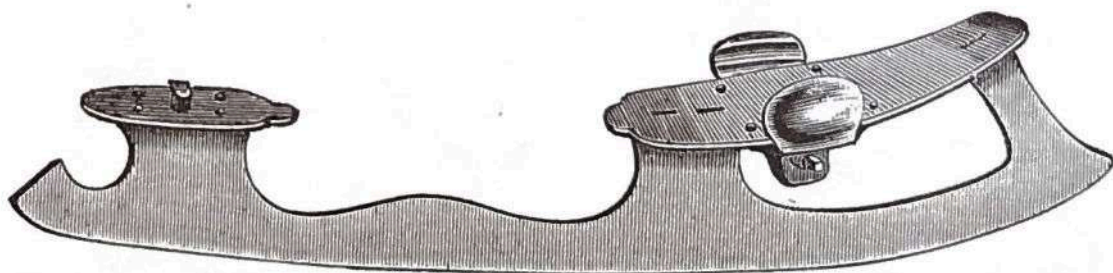

Lengths, 8 to 12 inches.

Price, \$2.25 per pair.

"New York Club," Rolled Cast Steel Polished Blades, Blued Steel Tops, Double Acting Toe Clamps, Heel Buttons and Plates. A strong and excellent Skate in graceful design. The very low price at which they are sold has made this style one of the most salable patterns throughout the United States and Canada.

WINSLOW'S SKATES.

Number C. C.

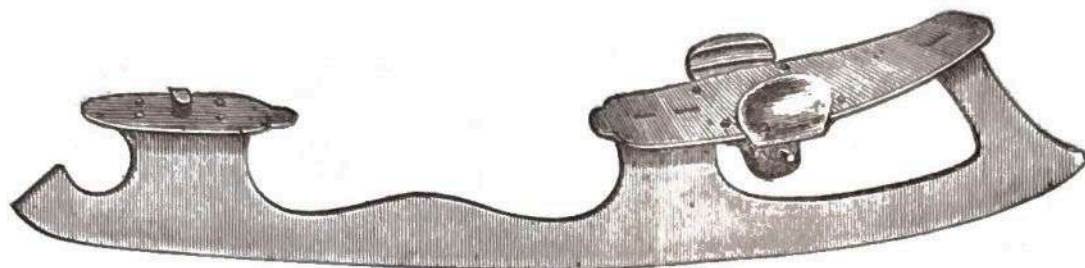

Lengths, 8 to 12 inches.

Price, \$3.25 per pair.

ALL NICKEL PLATED buffed "New York Club," Rolled Cast Steel Polished Blades, Double Acting Toe Clamps. Not liable to rust, *durable and desirable.*

WINSLOW'S SKATES.

Number B.

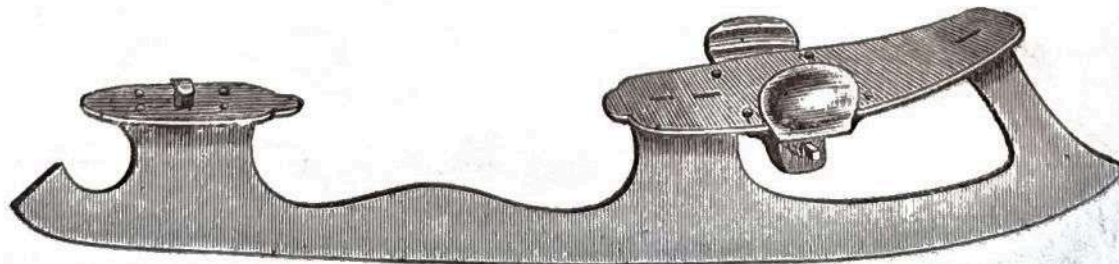

Lengths, 8 to 12 inches.

Price, \$3.00 per pair.

Best Quality New York Club, Blades with Welded Steel Face, Extra Tempered, Double Acting Toe Clamps, Blued Steel Tops, Heel Buttons and Plates. Made in the most thorough manner, of best materials. Every pair warranted. This style continues a favorite. Many thousand pairs have been sold each year since the Heel Button came into use.

WINSLOW'S SKATES.

Number C.

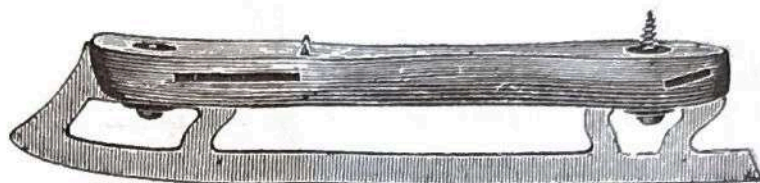

Lengths, 8 to 12 inches.

Price, \$4.00 per pair.

Best Quality. ALL PARTS NICKEL PLATED AND BUFFED. New York Club. A complete and handsome Club Skate. Fully warranted.

WINSLOW'S SKATES.

Number 93.

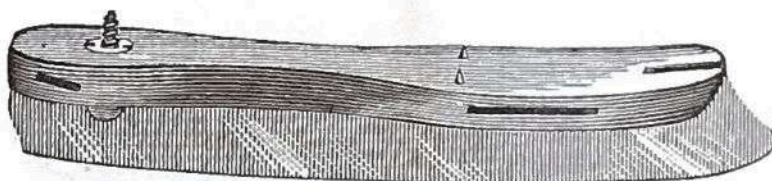

Sizes, 7 to 11 inches.

Price, 60 cts. per pair.

Wood Top Skates for Broad Toe Straps and Narrow Heel Straps. The Runners are of best steel castings and fastened into the wood with screws and nuts at toe and heel in such a manner that the woods will not split. Has Heel Screws and Toe Points.

Half Rocker. No. 200.

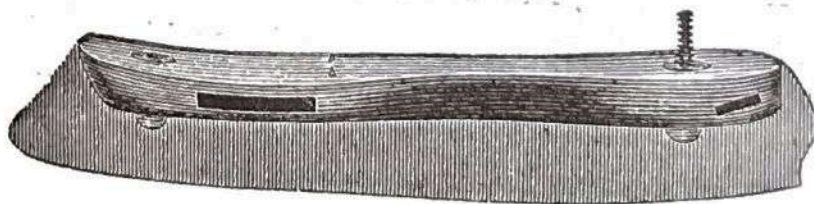

Sizes, 7 to 11 inches.

Price, 90 cents per pair.

The Heel Screw passes through a Brass Thimble, which greatly strengthens the Skate, and prevents the wood splitting.

Half Rocker. No. 243.

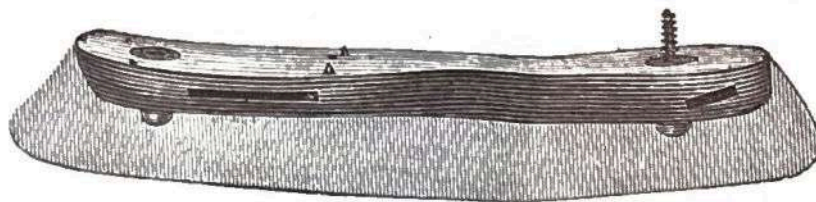

Sizes, 8 to 11½ inches.

Price, \$1.25 per pair.

Varnished Beech Woods, Solid Steel Runners, fastened in a secure manner to the woods by Brass Thimbles—a device which ingeniously and effectually prevents the breaking or splitting of the woods. With Heel Screws.

WINSLOW'S SKATES.

Rocker. No. 250.

WINSLOW'S LADIES' SKATES.

Number 230.

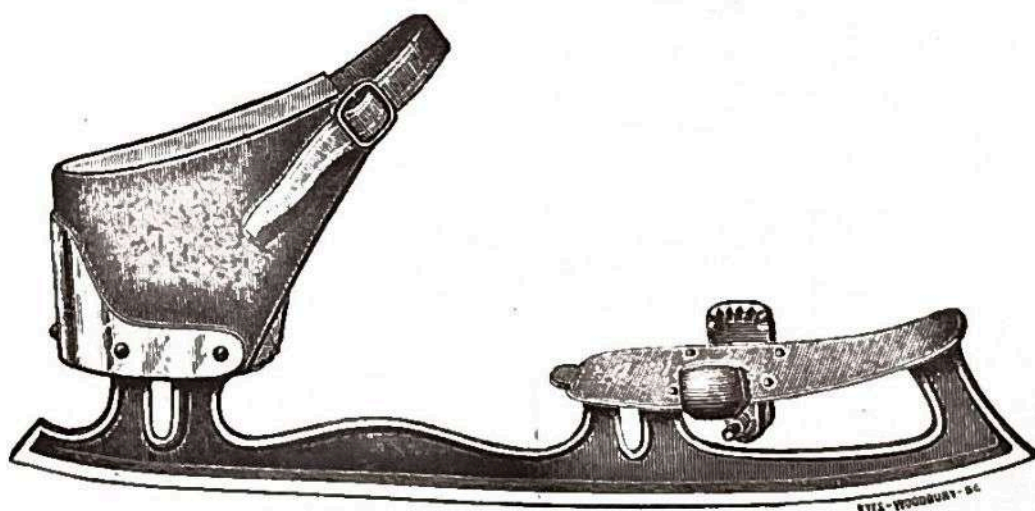

Lengths, 8 to 10 inches.

Price, \$1.50 per pair.

'THE LADIES' CLUB PATTERN, all Steel. This new style combines great strength with light weight. The blades will not break under the severest tests. Closely fitting the Boots they present a handsome appearance when on the ice. Trimmed with either Black or Russet Leather Heel and Broad Toe Straps, Nickel Plated Heel Bands, Spurs in Heel and Sole Plates,

Number 347.

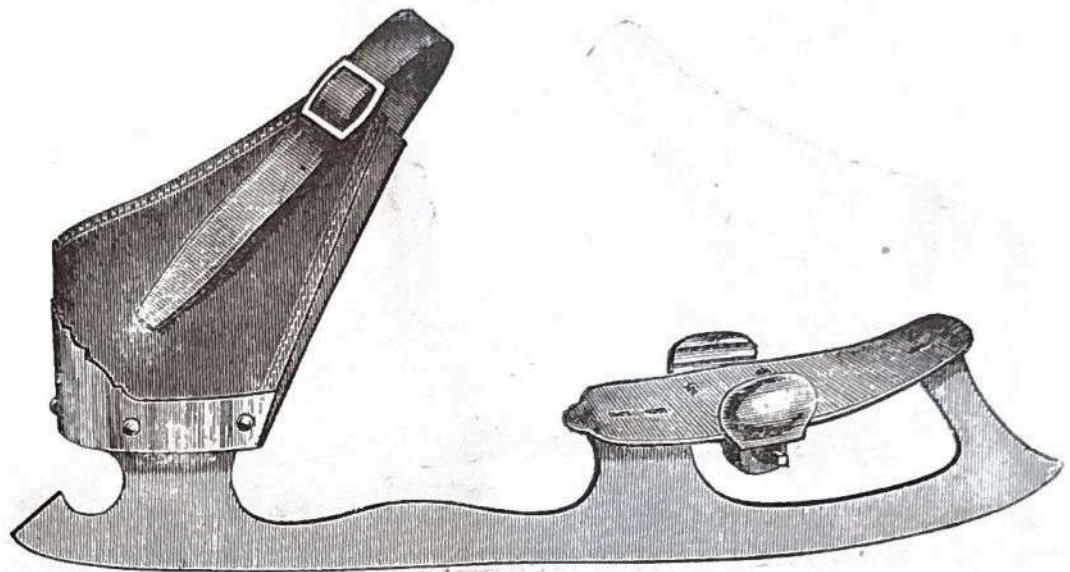

Lengths, 8 to 10 inches.

Price \$2.00 per pair.

'THE LADIES' CLUB PATTERN, all Steel. This new style combines great strength with light weight. The Blades will not break under the severest tests. Closely fitting the Boots they present a handsome appearance when on the ice. Trimmed either with Black or Russet Leather Heel and Toe Clamps for the sole, Nickel Plated Heel Bands, Spurs in Heel and Sole Plates.

Winslow's Boston Ladies' Rink Skates.

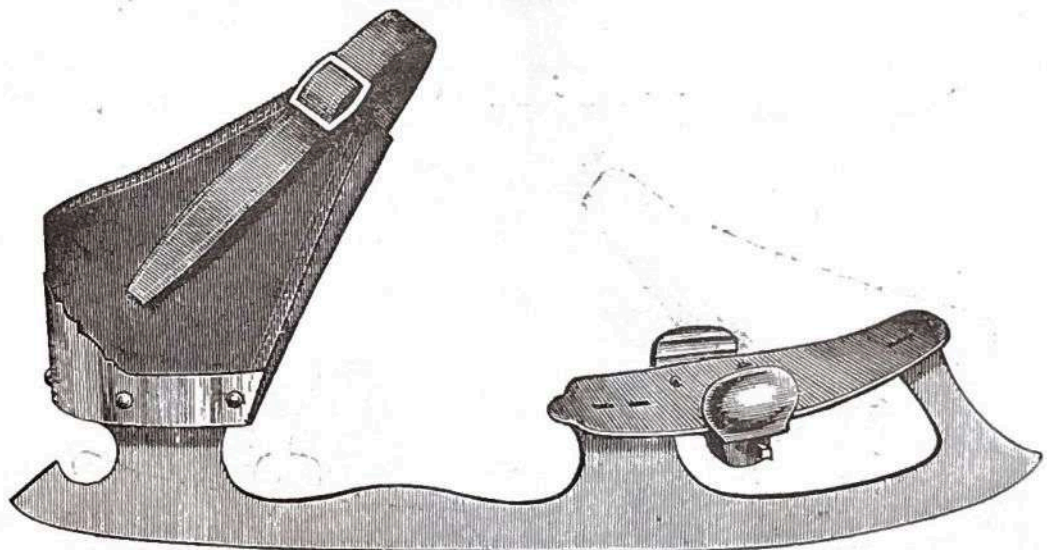

Number 348.

Blued Tops, Rolled Cast Steel Polished Runners, Black Leather Heel Straps with Nickel-plated Heel Bands. Patent Buckles, and double acting Toe Clamps.

Price, \$2.75 per pair.

Number 349.

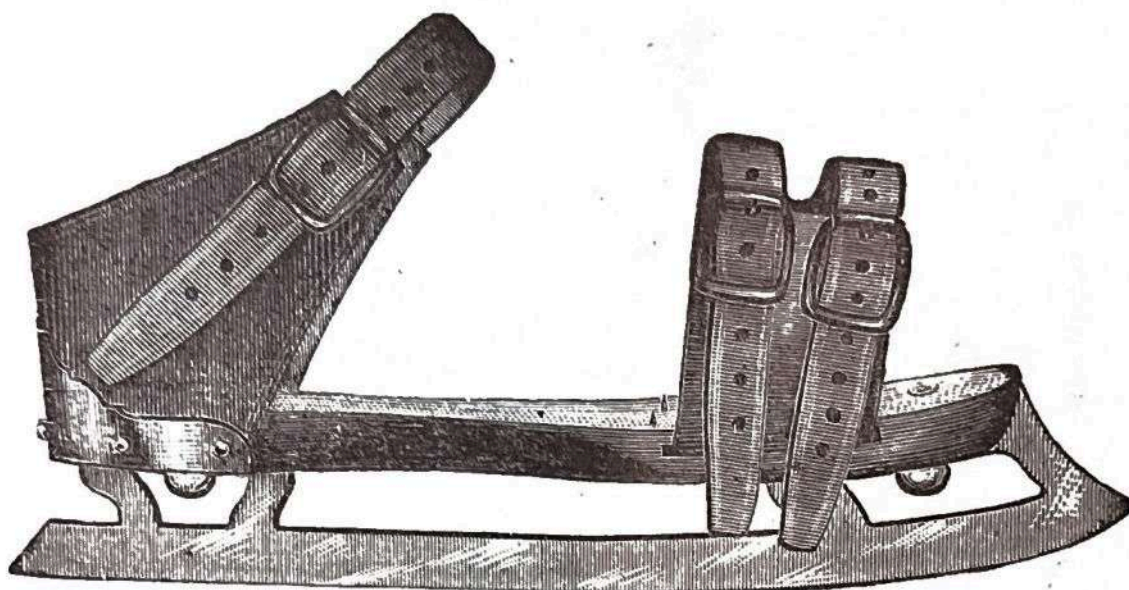

Runners Welded Steel Hardened, Nickel and Plated Buffed. Lengths, 8 to 10½ inches. Black or White Stitched Leather Heel Straps. Nickel Plated Heel Bands, Patent Buckles.

Price, \$3.75 per pair.

"THE BOSTON LADIES' RINK SKATES" are stylish in appearance. The combination of the two devices for fastening,—straps over the instep and Clamps for the sole,—is particularly well adapted for Ladies' use. The Toe Clamps do not encumber the foot like the ordinary strapping on Ladies' Skates. The Heel Straps fasten both the Boot and the Skate to the foot. They have the advantage of being easily adjusted. The skater will find them most convenient and comfortable skates to use. The Runners are made of Welded Steel Hardened.

WINSLOW'S LADIES' SKATES.

Number 220.

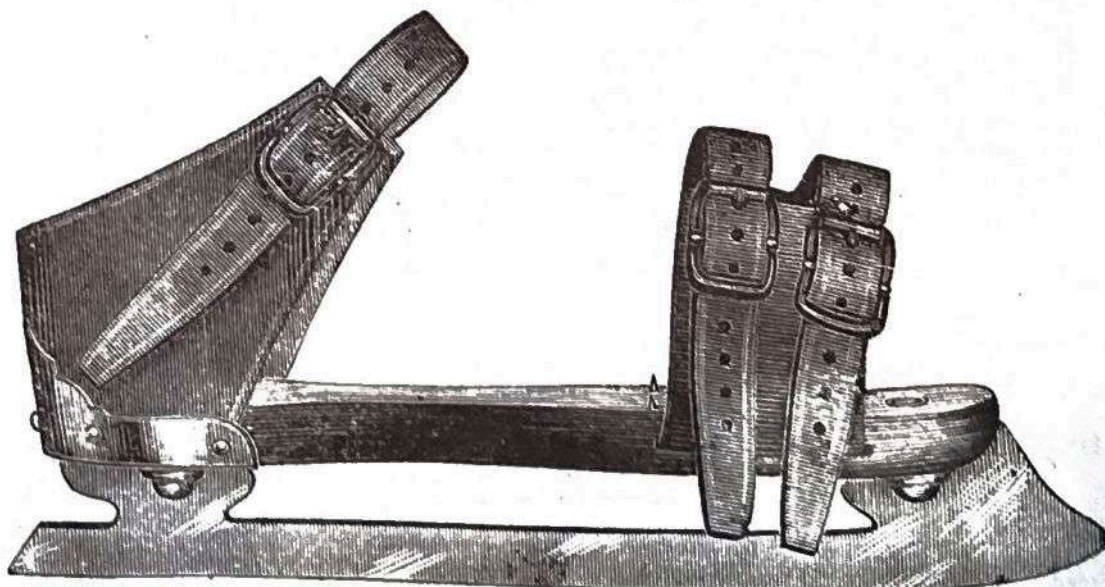

Sizes, 7 to 10½ inches.

Price, \$1.25 per pair.

The Wood Tops of these Skates will not split. Have Heel and Toe Spurs. The Runners are of best steel castings fastened into the woods with Screws and Nuts.

They are furnished ready for use with Black or Russet Leather Heel and Broad Toe Straps, Nickel-plated Heel Bands.

Number 270.

Sizes 7 to 10 inches.

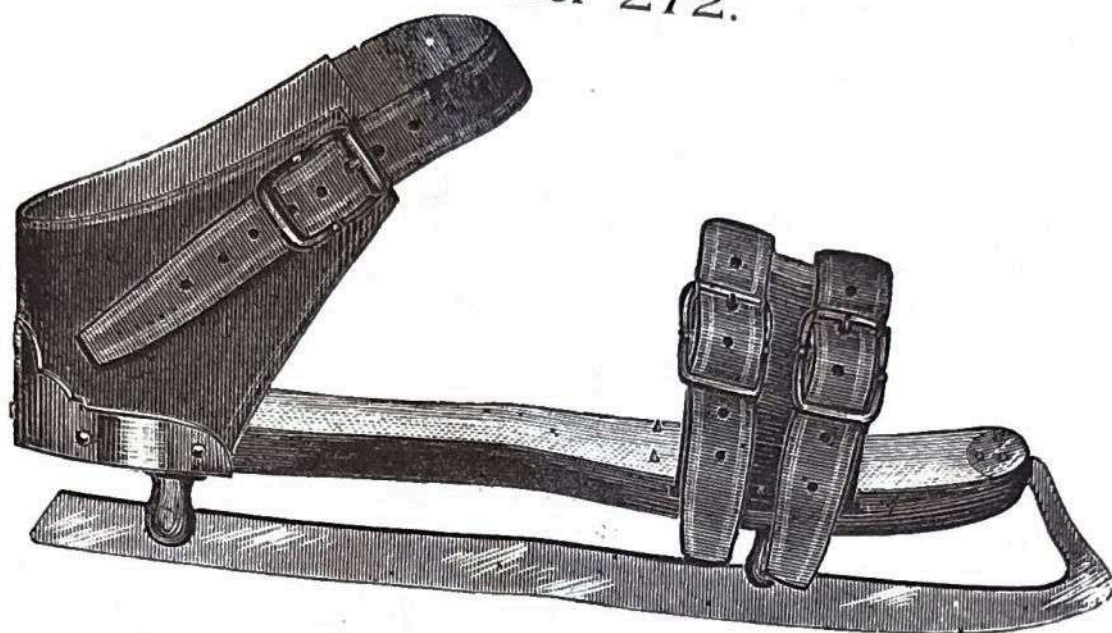

Price, \$1.50 per pair.

Runners of best steel castings, Wood Tops fastened to Runners with Screws and Nuts which effectually prevents splitting or breakage. Black Leather Heel and Broad Toe Straps, Nickel Plated Heel Bands.

DAME, STODDARD & KENDALL, BOSTON.

WINSLOW'S LADIES' SKATES.

STANDARD FRAME STEEL BLADES.
Number 272.

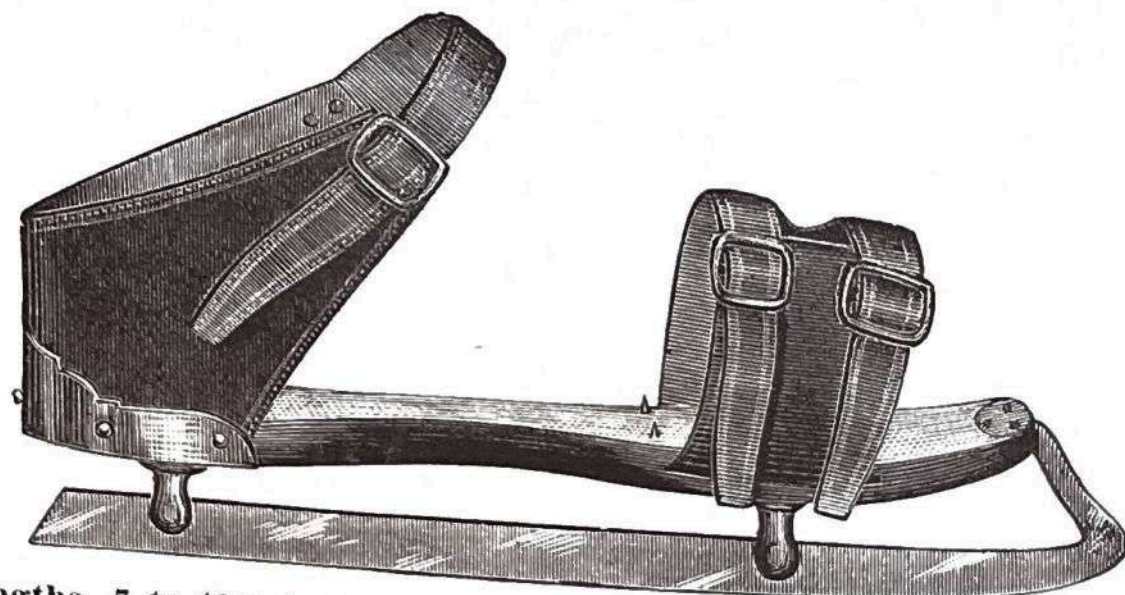

Sizes, 7 to 10½ inches.

BY NO OTHER

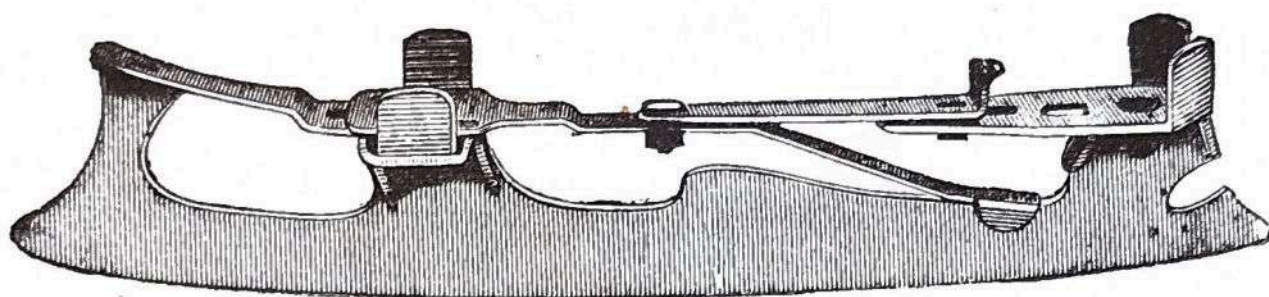

INSTANTANEOUS FASTENING.

BEWARE OF IMITATIONS.

*ORDERS SHOULD BE BOOKED EARLY TO
PREVENT DISAPPOINTMENT.*

ACME CLUB SKATES.

Number 3.

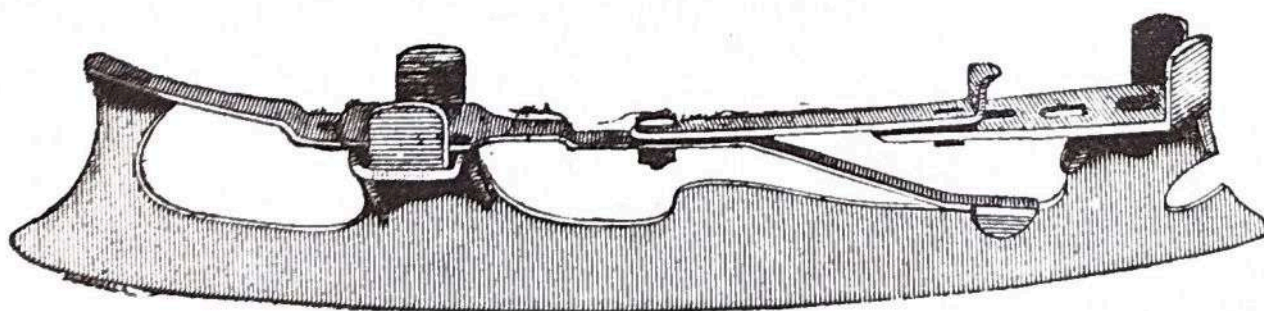

Price, \$4.00 per pair.

This is the cheapest Skate, with plainly finished All Steel Runners and not hardened. The working parts are equally reliable with the best, without lacquer or any attempt at ornamentation.

As a cheap Skate they give general satisfaction.

Number 7.

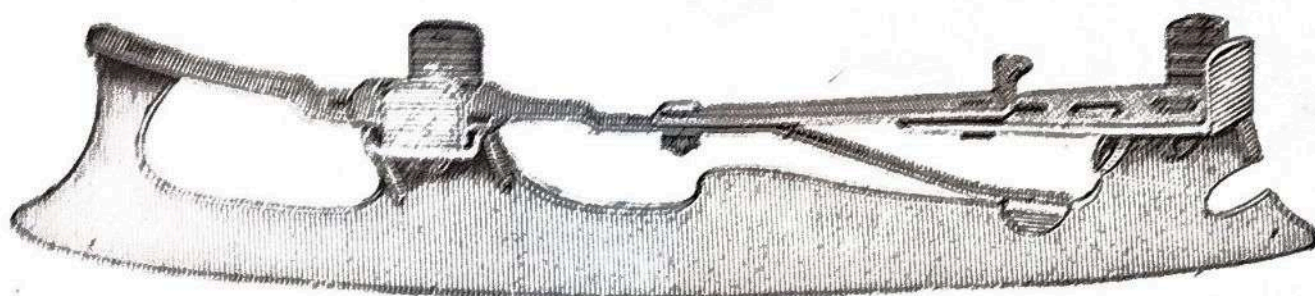

Price, \$5.50 per pair.

The Best Skate. The Runners are made of the best quality Welded Steel, thoroughly hardened and tempered and nicely finished in handsome design. The Uppers are polished on the edges, which adds greatly to their attractiveness. These Skates are exceedingly simple in construction, substantial and reliable in every particular. Fully warranted.

ACME CLUB SKATES.

NICKEL PLATED.

Number 10.

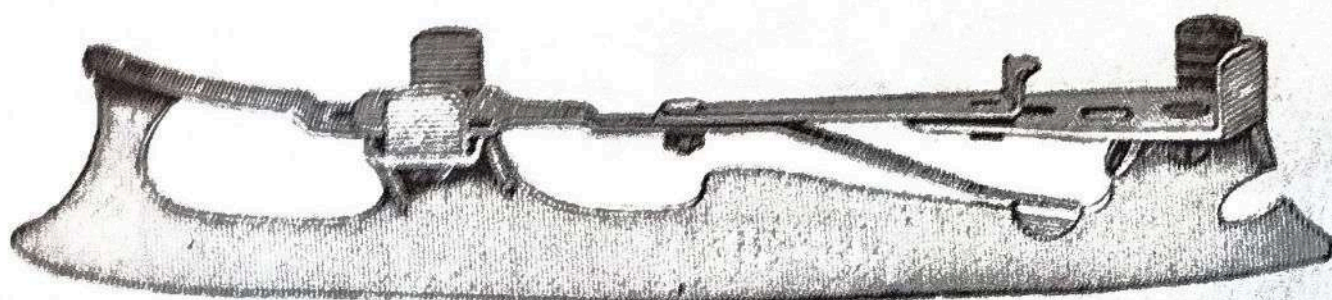

Price \$6.50 per pair.

Blades of finest quality, thoroughly hardened and tempered, and carefully finished before being Electro Nickel Plated. This improves their appearance, retaining their bright finish, and insures freedom from rust. A most durable Skate.

COLD PLATED.

Number 14.

Price \$11.00 per pair.

Made and finished in the same thorough manner as No. 10, with the uppers Electro Gold Plated, and Electro Silver Plated runners. The effect is very beautiful.

This is an elegant Skate for Ladies, for Presentation, or for Prizes.

THE PATENT ACME CLUB SKATES.

Received Centennial Exposition Medal and Diploma of Merit, Awarded at United States International Exhibition, at Philadelphia, in 1876.

The Starr Manufacturing Company's

FORBES' PATENT

Celebrated Acme Club Skates

Have won the public approval in all parts of the world,
and found an immense demand in the United
States and other countries, exceeding
the sale of all other
Patent Skates.

1st. By the meritorious character of workmanship, general completeness of design, effectiveness and simplicity in mechanical contrivance.

2d. Facility with which any part requiring removal may be replaced without the need of special mechanical skill. Dealers may keep SPARE PARTS in stock.

3d. All the principal parts being detachable and generally interchangeable can be taken to pieces for cleaning or any other desirable purpose.

4th. They are made of the *very best quality* of material. The HARDNESS and GOOD TEMPER of the runners of all skates of No. 7 quality or higher, are thoroughly tested before leaving the factory.

5th. The thoroughness and security, as well as the comfortable character of the fastening.

6th. They can be adjusted to the boot centrally, or a little on either side, and will always retain the same position in any re-application.

7th. They require **no plate in the sole or heel of boots**; they do not need the use of any key, when on the ice, to apply them.

8th. The hands need not be ungloved to put them on or off, thus preventing cold fingers.

9th. They do not draw or bind the feet in any way. Can be adjusted to any boot the skater may desire to wear.

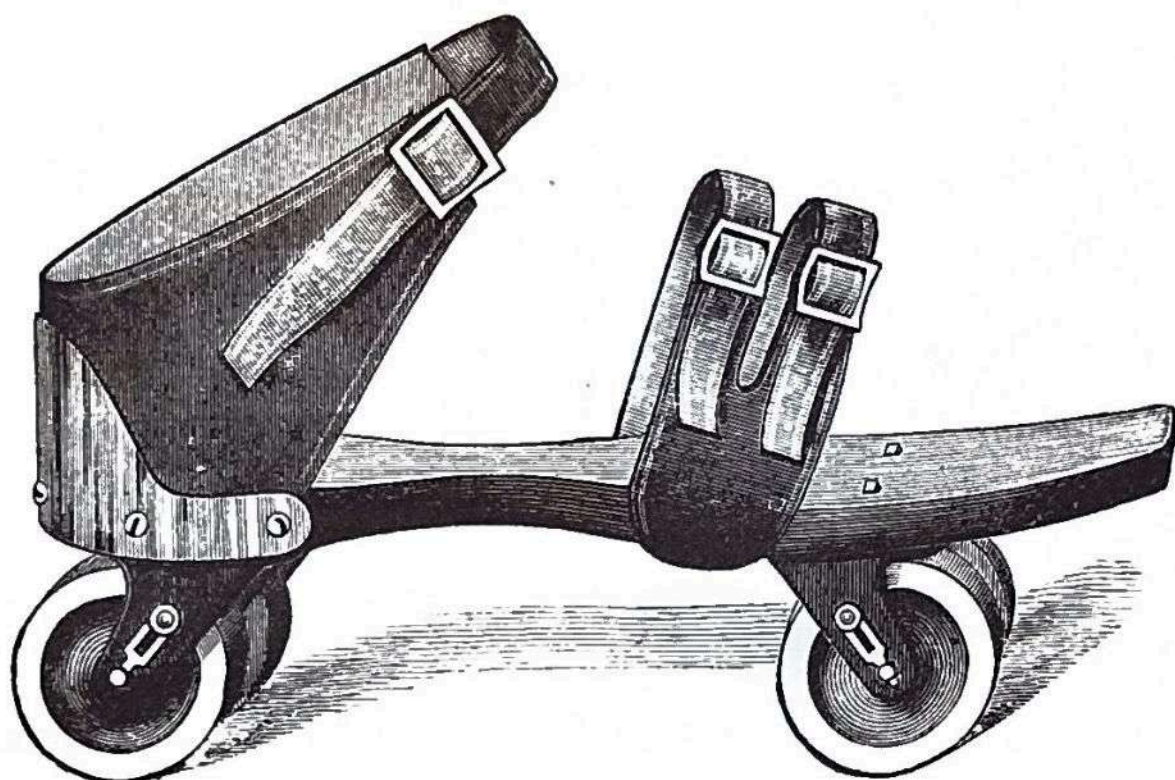

10th. The MODERATE PRICE at which they are furnished and the universal satisfaction which they have given among all who have used them, whether experts or novices, shows they meet a great want for a

SELF-FASTENING SKATE.

THE
POPULAR ROLLER SKATES,
WITH FOUR BOXWOOD WHEELS.

Lengths, 7 to 11½ inches.

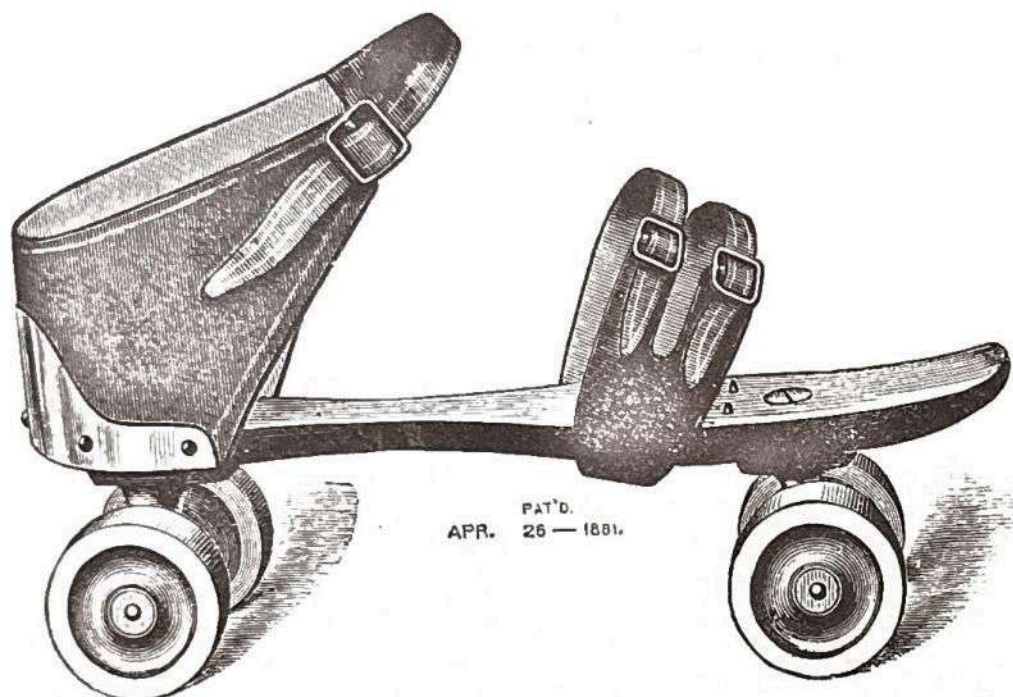

Price per pair, \$1.25.

THESE ROLLER SKATES are manufactured of the best materials, and nicely finished with French Polished Beech Wood Tops, Strapped Complete, with Patent Buckles, Boxwood Wheels, Steel Axles, and Nickel Plated Heel Bands. The wheels are hung to the tops in a simple and effectual way. The hangers have a middle support, which adds much to the strength and but little to the weight. This keeps the wheels apart, and makes a separate axle for each wheel. They are "light weight," perfectly strong and thoroughly reliable.

USE CASTOR OIL ON THE BEARINGS.

PARK ROLLER.

Sizes of Skates, 7, 7½, 8, 8½, 9, 9½, 10, 10½, 11, 11½ inches.

Price, per pair, with Ebonized Woods, Boxwood Rolls, \$1.75.

The Roller Skates represented by the above cut are manufactured of the best material, and nicely finished in Ebonized Wood, Strapped complete with Patent Buckles, Nickel Plated Heel Band, Steel Axles and Malleable Iron Castings, having bearings one inch in length, which effectually prevents the wearing out by constant friction as is the case with other low priced Roller Skates. The Axles revolve in the hanger bearings, and the wheels revolve on the Axles, thus doing away with the friction that is common with other Roller Skates. A Patent for these Axles and Bearings on Roller Skates was granted April 26, 1881.

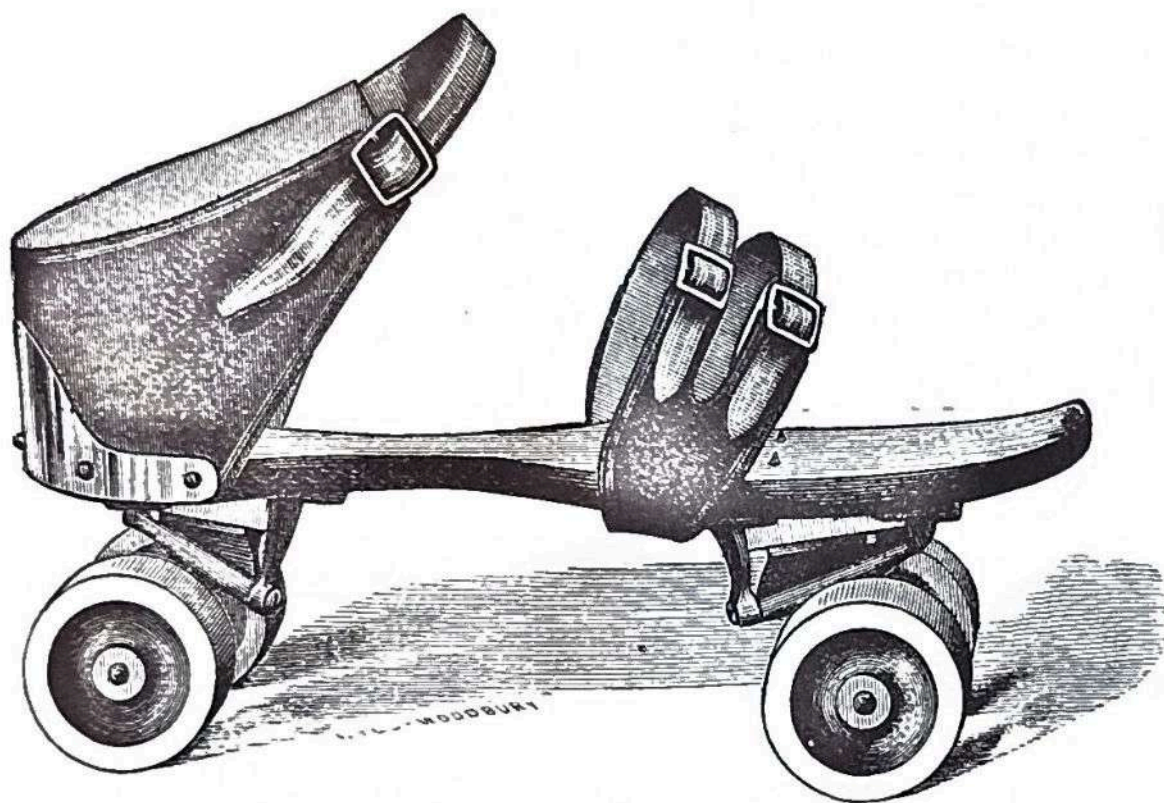

KEEP BEARINGS WELL OILED.

CASTOR OIL IS THE BEST

VINEYARD ROLLER, "A"

SAMUEL WINSLOW'S IMPROVED
Circular Running Roller Skates.

No. "A."

TRADE MARK, "VINEYARD" ROLLER.

Patented July 13, 1880. Patented April 12, 1881. Patented April 26, 1881.

These Skates are made of the best materials, with Boxwood Wheels and Steel Axles, and finished in the best manner. They are NOISELESS in movement, and very desirable for use in Rinks. The facility of the action of the circular or lateral mechanism enables the skater to perform all difficult figures, as in ice skating, with natural ease and grace. Their merits have been thoroughly tested by thousands of skaters during the past season, and they have given complete satisfaction.

Lengths, $6\frac{1}{2}$, 7, $7\frac{1}{2}$, 8, $8\frac{1}{2}$, 9, $9\frac{1}{2}$, 10, $10\frac{1}{2}$, 11, $11\frac{1}{2}$, 12, inches.

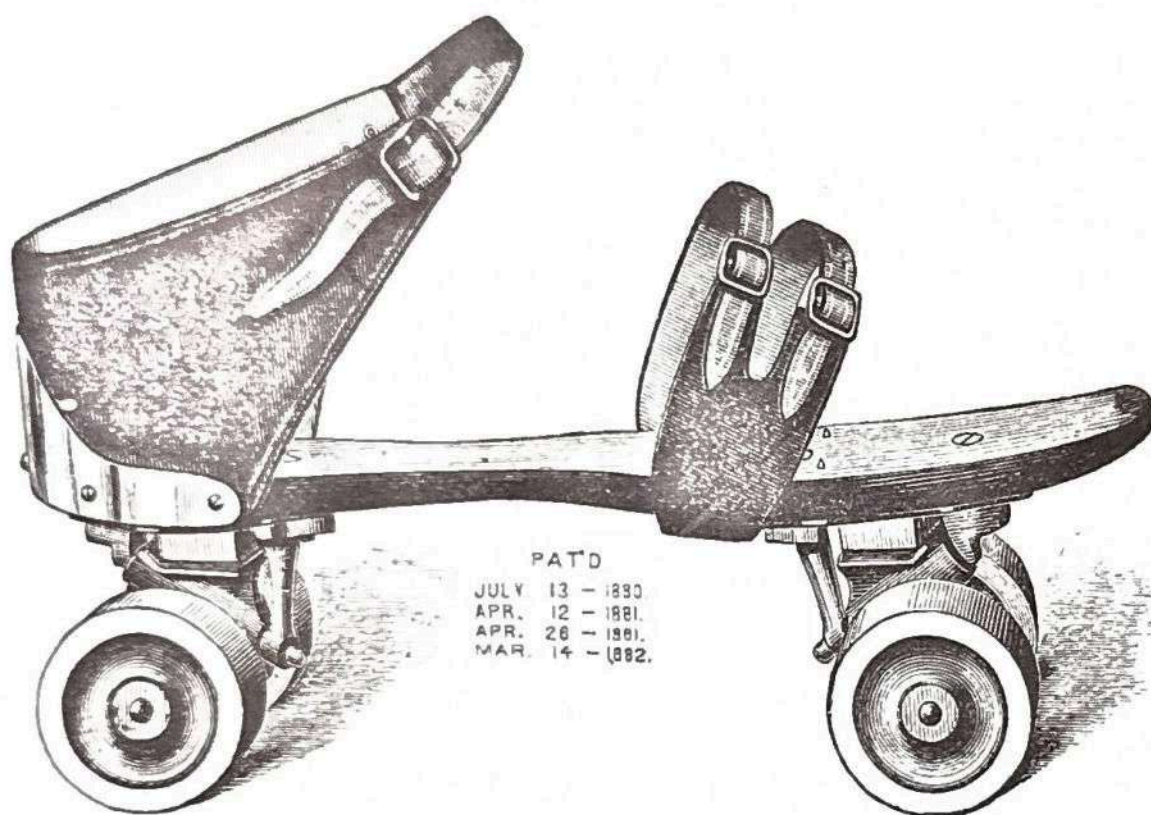

With Ebonized Wood Tops, strapped complete with Patent
Buckles and Nickel-plated Heel Bands, Price, per pair, \$4.50

KEEP BEARINGS WELL OILED. CASTOR OIL IS THE BEST.

VINEYARD ROLLER, "B"

SAMUEL WINSLOW'S IMPROVED
Circular Running Roller Skates.

No. "B."

PAT'D
JULY 13 - 1880
APR. 12 - 1881.
APR. 26 - 1881.
MAR. 14 - 1882.

TRADE MARK, "VINEYARD" ROLLER.

A new and desirable pattern having, for Rink purposes, all the advantages of Vineyard Roller "A."

The construction of this skate supersedes all others, both for its simplicity and durability. By taking out a single screw in the long Hanger, the entire running part can be removed; a great convenience in repairing worn out parts, if any exist.

This skate is made in the most thorough and workmanlike manner, and every pair is warranted. The Vineyard Roller "B" will run in a smaller circle than any Roller Skate ever manufactured. The improvements were patented March 14, 1882.

Vineyard Roller "B" is put up with Ebonized Wood, fully Strapped, and with Nickel-plated Heel Bands.

Sizes, 7 to 12 inches.

Price, \$4.50 per pair.

KEEP BEARINGS WELL OILED.

CASTOR OIL IS BEST.

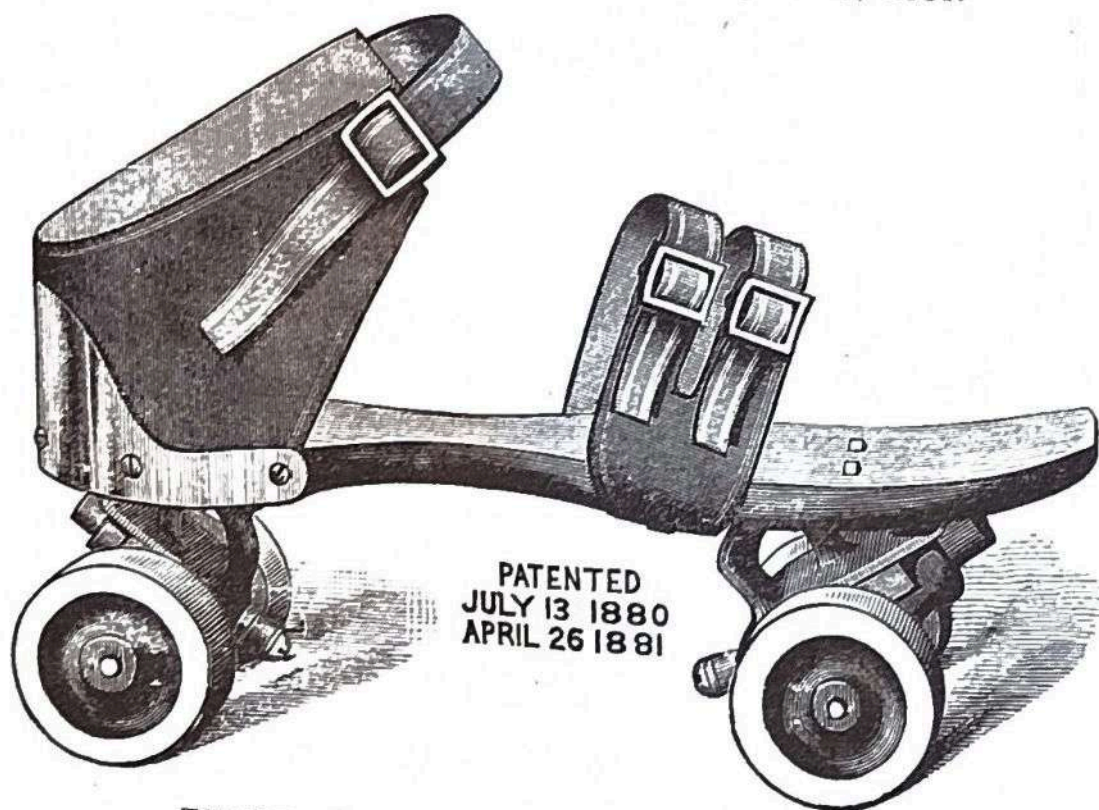

VINEYARD ROLLER "C."

SAMUEL WINSLOW'S

Circular Running Roller Skates.

Patented July 13, 1880.

April 26, 1881.

PATENTED
JULY 13 1880
APRIL 26 1881

TRADE MARK "VINEYARD" ROLLER.

The Vineyard Roller Skates No. "C," are made upon strictly mechanical principles, and the only Roller Skates that are so manufactured. The Roller Carrier is so constructed and arranged in connection with the Hanger, and the Spring or Rubber Cushion lying between the Roller Carrier and Hanger directly in line of the two centers, that it enables the skater to make all the curves and describe all circles with great ease and precision, and with accuracy not obtainable in any other Roller Skate.

This Skate was patented July 13, 1880, and immediately upon its introduction to the general public, a suit in equity was brought against it for an alleged infringement, by one Plympton: but after a full and exhaustive hearing—covering a period of thirty months—the suit was decided by Judge Lowell, in the United States Circuit Court, held in Boston, February 3, 1883, *in my favor*. In consequence of this suit this Skate has been withheld from the public for nearly three years, but are now being manufactured for general use.

The Vineyard Roller "C" are put up with ebonized woods, strapped complete, with Nickel-plated Heel Bands, and every part of the best material and thoroughly made,

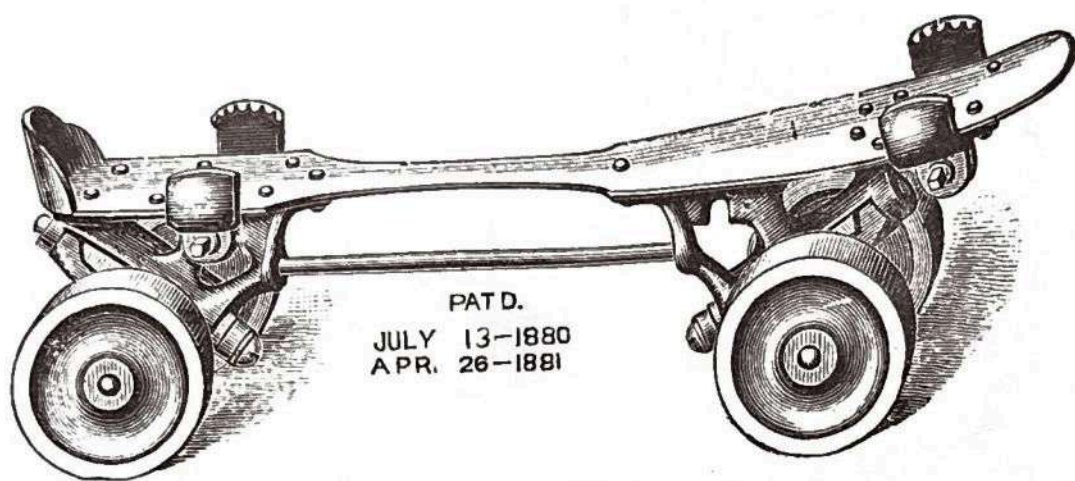

Sizes, 7, 7½, 8, 8½, 9, 9½, 10, 10½, 11, 11½ inches.

Price, per pair, \$4.50.

KEEP BEARINGS WELL OILED.

CASTOR OIL IS BEST.

SAMUEL WINSLOW'S
Circular Running "Vineyard" Roller.
No. "A. C."

PATD.
JULY 13-1880
APR. 26-1881

TRADE MARK "VINEYARD" ROLLER.

The Vineyard Roller All Clamp were patented July 13, 1880, and April 26, 1881. They are the only successful All Clamp Roller Skate ever put in the market. They are adapted for both Ladies and Gentlemen. During the short time this skate has been in use it has won rapid popularity. No other has ever excelled it. This skate has all the advantages of the "Vineyard" Roller "C" with the additional claim of ready and secure fastenings which are so much admired, especially by those having tender feet, inasmuch as they entirely do away with straps.

The All Clamp are nicely polished and nickel-plated and have every part in perfect running order.

Price, per pair, \$7.00.

With Blued Tops, \$6.50.

Sizes, 7½, 8, 8½, 9, 9½, 10, 10½, 11, 11½ inches.

PACKED IN PAPER BOXES.

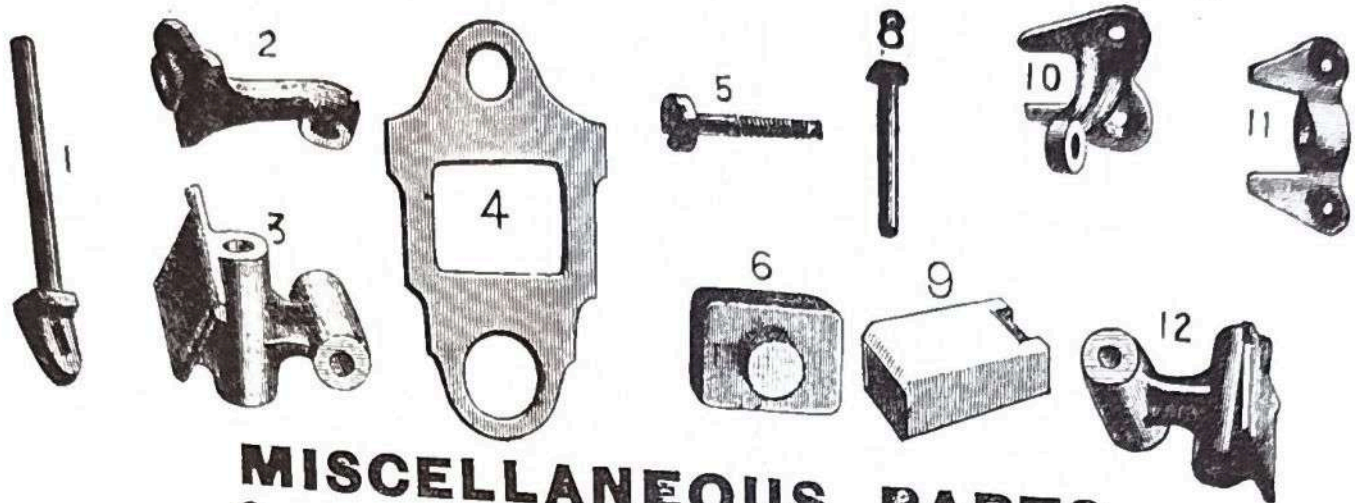

KEEP BEARINGS WELL OILED.

CASTOR OIL IS THE BEST.
