Union Hardware Co.

UNION LEVER.

Patented September 8, 1883; May 30, 1876.

No. 8.

Sizes—7½, 8, 8½, 9, 9½, 10, 10½, 11, 11½ inches.

Steel Union Lever Skate.

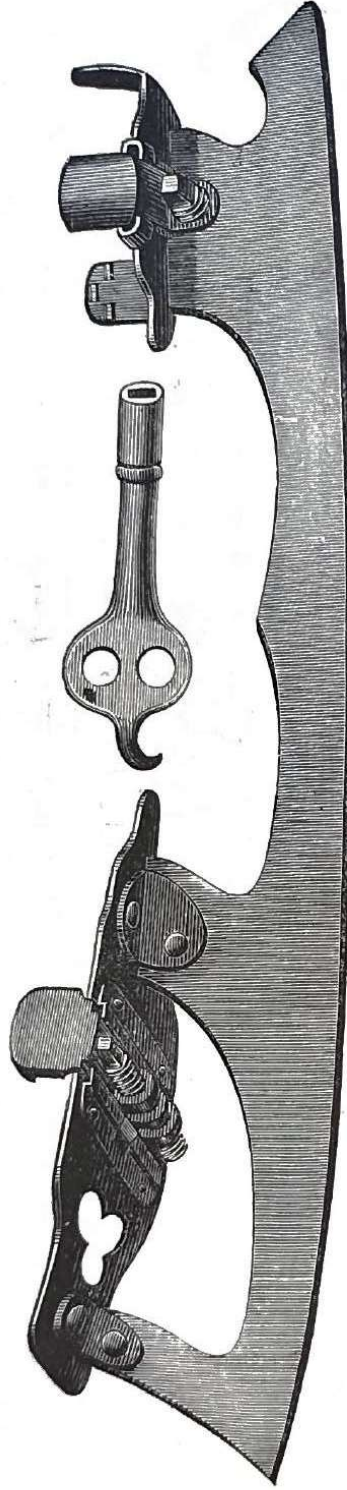

The foot and heel plates, clamps, adjusting bar and clamping lever are made of fine crucible steel, well finished. The runners are made of the best iron and steel, thoroughly welded, tempered in the best manner, and highly polished. The improvements in design and finish make this one of the most attractive skates in the market; and its superior mechanism has justly made it one of the most popular lever skates known to the trade. We guarantee this skate to be first-class in every particular.

No. 8, Blue Top, polished runner, price per pair, ...	\$4.00
No. 9, Nickel Plated, polished runner, price per pair, ...	5.00

Union Hardware Co.

DOUBLE CLAMP SKATE.

Patented May 30, 1876; December 9, 1878.

No. 6.

Sizes—8, $8\frac{1}{2}$, 9, $9\frac{1}{2}$, 10, $10\frac{1}{2}$, 11, $11\frac{1}{2}$ inches.

DOUBLE CLAMP SKATE, made with crucible steel sole and heel plates, provided with clamps securely fastened with our patent steel guides; operated with the best gun metal, right and left screw collared in the centre to give equal lateral motion to each clamp.

The runners are made of the best steel and iron, thoroughly welded and tempered in the best manner, and highly polished.

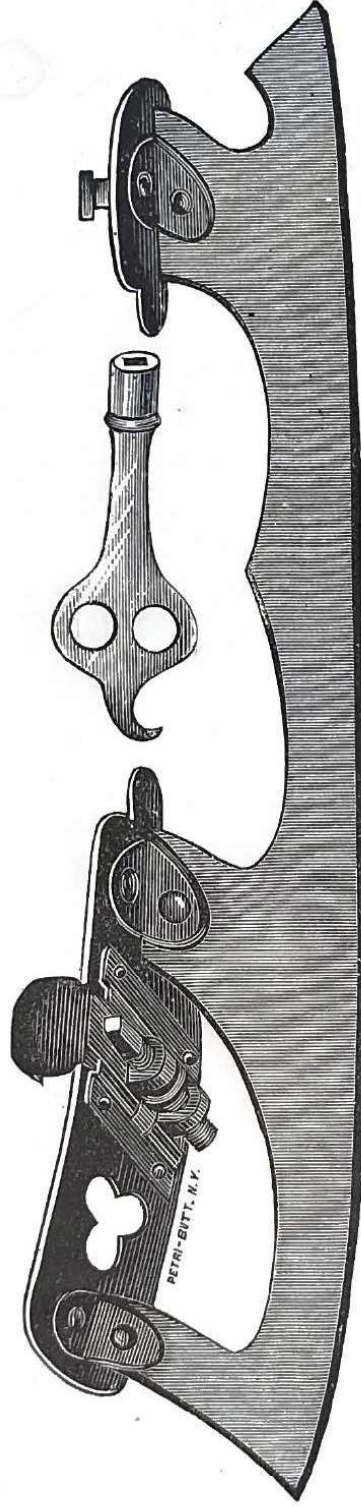

No means of fastening surpasses this for strength, security and durability.

No. 6, Blue Top, price per pair, . . .	\$3.50.		No. 7, Nickel Top, price per pair, . . .	\$4.50

Union Hardware Co.

NEW YORK CLUB SKATE.

Patented May 30, 1876: December 10, 1878.

No. 4.

Sizes—8, 8½, 9, 9½, 10, 10½, 11, 11½ inches

Our best New York Club Skate so favorably known for many years.

The runners are made of the best iron and steel, thoroughly welded, tempered in the best manner, and highly polished. Clamps operated with best quality right and left screw, securely fastened with patent guide that holds the screw in the centre to give equal lateral motion to each clamp. Crucible steel foot and heel plates.

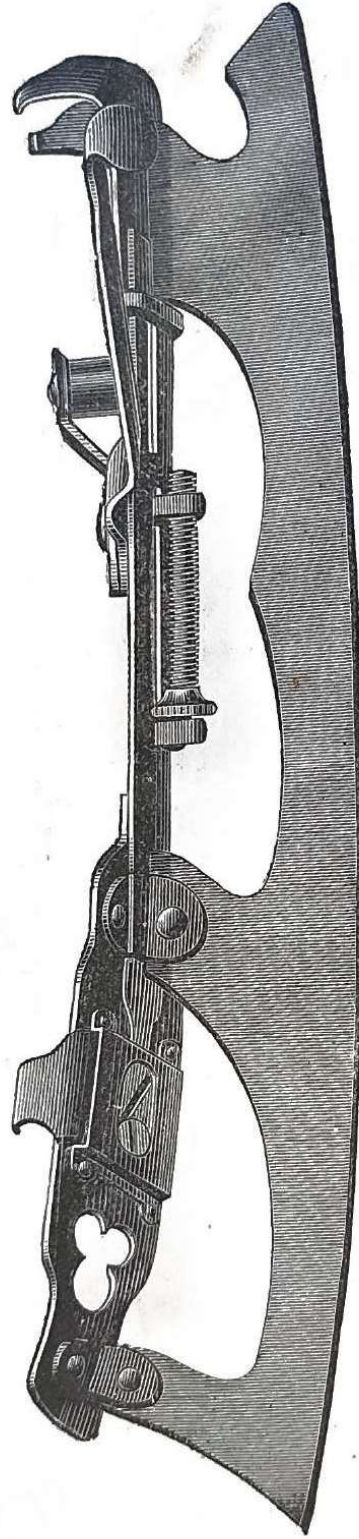

Warranted first quality in every respect.

No. 4, Blue Top, price per pair, . \$3.00. | No. 5, Polished and Nickel Plated, price per pair, . \$3.50.

Union Hardware Co.

EAGLE LEVER.

Patented September 5, 1865; May 30, 1876.

No. 8X.

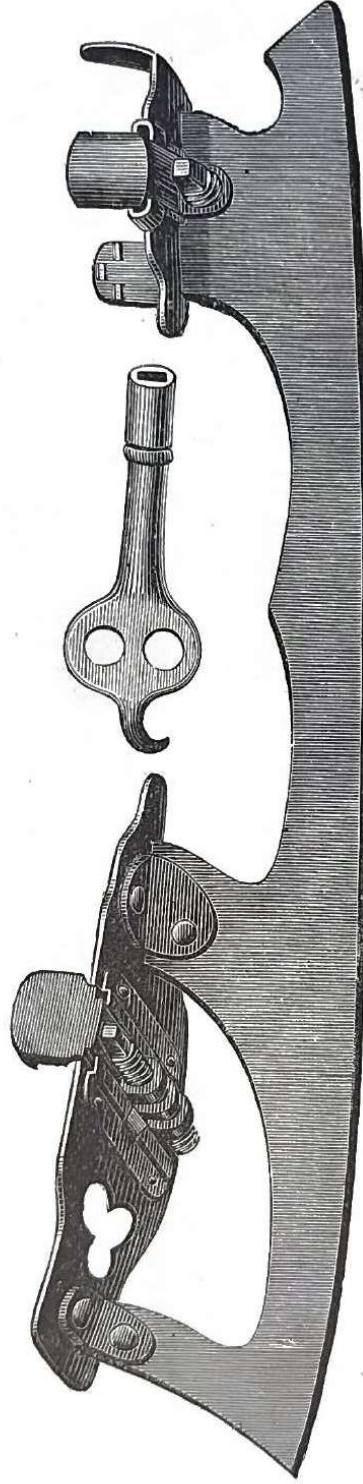

Sizes—8, 8½, 9, 9½, 10, 10½, 11, 11½ inches.

The foot and heel plates, clamps, adjusting bar and clamping lever are made of fine crucible steel, well finished.
The runners are made of cast steel, highly polished and not hardened.

No. 8x, Blue Top, polished runner, price per pair, ... \$2.75.

MEDIUM QUALITY DOUBLE CLAMP SKATE.

Patented May 30, 1876; December 10, 1878.

Eagle No. 3X.

Sizes—8, 8½, 9, 9½, 10, 10½, 11, 11½ inches.

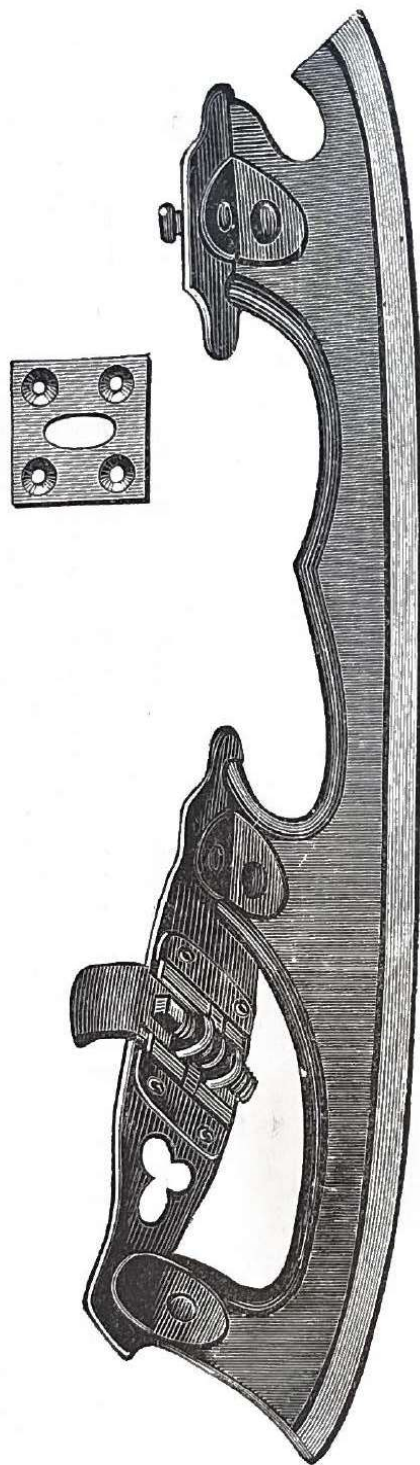

DOUBLE CLAMP SKATE, stamped Eagle No. 3x, clamps equal to those in our higher grade of skates, fastened on foot plate with our patent steel guides, operated with best gun metal right and left screw, securely centered to give equal lateral motion to each clamp. Steel toe and heel plates of new design, blued or nickeled. Solid steel runners *not hardened*, highly polished, making a skate for beauty and design unsurpassed by any in the market.

Price, Blued,	.	.	.	\$2. ⁷⁵	Price, Nickeled,	.	.	.	\$3. ⁷⁵ .
