

# TO THE TRADE.

Since issuing our 1880 Catalogue, we have largely increased our lines of goods, especially **Sporting Goods, Machinist's Tools and House Furnishing Goods**, of which we compiled separate Catalogues. We now present to the trade our entire assortment in one volume, which makes void all our previous Catalogues, and request our customers to confine their orders exclusively to articles embraced in this volume, thereby insuring prompt shipments. Excepting the few items printed in **red ink**, which are only small portions of twenty-three pages, we carry in stock all goods contained herein, and our facilities for filling orders entrusted to us are unsurpassed.

Articles printed in **red ink** are principally parts of tools and implements or portions of a standard line of goods on which it is essential to publish the entire list for reference. Our customers will please bear in mind when ordering such, that a necessary delay will occur in shipping to enable us to obtain them from the factories.

We deem it inexpedient to issue a discount sheet, but will cheerfully and promptly respond to all inquiries for prices.

SIMMONS HARDWARE CO.

We desire to furnish our customers one volume free of cost.

The issue being limited, we cannot furnish duplicate copies, and have none for sale at any price.

**In ordering of us, use this Catalogue only.**

# CLUB SKATES.

Automatic.

FIG. No. A5897.

No. N.

No. N—Automatic, Nickel Plated; Sizes, Inches, 8, 8½, 9, 9½, 10, 10½, 11, 11½, 12, . . . per pair, \$6.00

DIRECTIONS FOR APPLYING THE AUTOMATIC—Lock the Lever before placing on the boot; loosen Clamps by unscrewing at back of heel, to allow heel and sole to be within, then tighten and adjust by one operation of screw.

Keyless.

FIG. No. A5898.

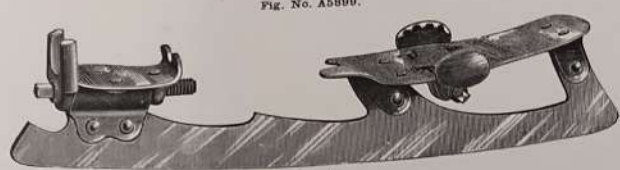

No. K.

No. K—Blued, Sizes, Inches, 8, 8½, 9, 9½, 10, 10½, 11, 11½, 12, . . . per pair, \$4.00  
 No. K—Same, Nickel Plated, . . . 5.00

This Skate combines all the advantages of the Automatic, except the instantaneous style of fastening, and is secured and adjusted firmly at one operation of screw.

All Clamp.

FIG. No. A5899.

No. G.

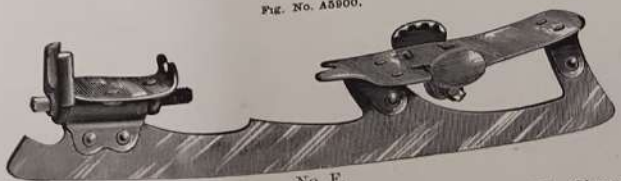

Full Nickel Plated, Crucible Cast Steel Blade, Double Threaded Screw.

per pair, \$4.50

No. G—All Clamp, Nickel Plated; Sizes, Inches, 8, 8½, 9, 9½, 10, 10½, 11, 11½, . . .  
 In applying this Skate to the boot, the Heel Clamp should be tightened first.

All Clamp.

FIG. No. A5900.

No. F.

No. F—All Clamp, Polished Blades, Blued Steel Sole and Heel Plates, Double Action Heel and Toe Clamps, Steel Runners; Sizes, . . . per pair, \$2.75  
 Inches, 8, 8½, 9, 9½, 10, 10½, 11, 11½, 12, . . . 3.75  
 No. F—Same, Nickel Plated, . . .
