

CLUB SKATES.

No. N.

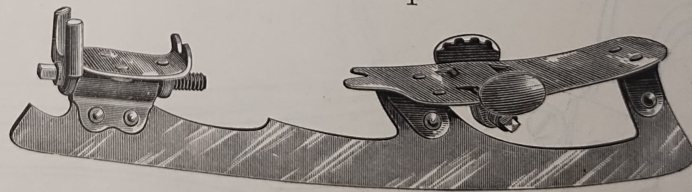

Ice King.

No. N—Ice King, Nickel Plated; Sizes, 8, 8½, 9, 9½, 10, 10½, 11, 11½, 12 inches, . . . per pair, \$8.50

DIRECTIONS FOR APPLYING THE ICE KING.—Turn down the Lever J, and apply the Skate to your Boot, and by simply bringing it back to the position to which you now see it (in the above cut), every clamp is securely locked to your boot. Adjust the Skate with the thumb screw L.

All Clamp.

No. G.

Full Nickel Plated, Steel Faced Blade, Double Threaded Screw.

No. G—All Clamps, Nickel Plated; Sizes, 8, 8½, 9, 9½, 10, 10½, 11, 11½ inches, . . . per pair, \$8.50

The improvement in heel (see cut) makes this the best All Clamp Skate in the world. In applying this Skate to the boot, the Heel Clamp should be tightened first.

CLUB SKATES.
